Feedback will also be provided for student learning skills. Skills like working independently, team work, organization, work habits and homework, and initiative are assessed independently and will be conducted through the use of a rubric indicating specific criteria to be achieved to receive each of the following letter grades:

E –Excellent      G – Good      S – Satisfactory      N - Needs Improvement

### Other Evaluation Issues

- **LATE ASSIGNMENTS.** Assignments submitted after the *Primary Due Date* established by the teacher will be accepted with a penalty of 5% per day for two days. After two days, a mark of zero will be assigned. Repeated lateness in submissions indicates poor organization skills and will result in parental contact. Assignment extensions will be given at the teacher's discretion; if you require an extension, your request must be made well in advance of the assignment's due date. Keep a copy of ALL assignments (especially essays)
- **MISSED TESTS** Tests missed with a legitimate reason will be written within a few days of the student returning from the absence. Student eligibility to write the test and the date of writing will be at the discretion of the teacher. Any student who misses a test or assignment and whose absence is unjustified (i.e. no phone call or no note according to the attendance office- skip) will NOT be allowed to rewrite or make up a missed test or assignment.
- **PLAGIARISM** Plagiarism is the act of taking someone else's words and presenting them as your own. This is cheating and will result in an **automatic ZERO**. Parents will be informed and may be asked to meet with the subject teacher. To protect yourself, keep all your work-in-progress (rough notes). For some assignments, you will be asked to submit this process work along with your final product.
- **TURNITIN** All written assignments MUST be submitted to turnitin.com. Failure to do so will result in the student receiving a mark of ZERO
- **ABSENCE POLICY** Any student who misses more than 7 classes will be required to complete an "absence assignment" in order for a credit to be granted. School activities and absences for which a medical note is provided will not count toward the 7-day maximum.
- **PARENTS** Parents are encouraged to call their teachers on a regular basis if there are any concerns regarding attendance, assignments, test policies or any others concerns. Expect one hour of homework each night on average. If class work is done, students should always be reviewing to remember what they learned by making review/study notes summarizing the weeks/months lessons.
- **STUDENTS** You must take ownership of your learning. If you are struggling with the material or you have some concerns, please speak to me before or after school. If you feel comfortable doing so, please ask questions in class so others may benefit from your inquiry
