

ALL STAR READING PROGRAM

This year we are very excited to be introducing the “All Star Reading Program” at St. Bernard of Clairvaux School.

GOALS OF THE PROGRAM

This early intervention program, as part of a balanced literacy program, supports early readers as they move into the wonderful, exciting world of literacy. Most students learn strategies to become independent, self-directed, successful readers. It is a wonderful way to help students in the early primary grades to become better, successful and more confident readers.

The program depends upon parent volunteers who take on the important role of becoming a reading coach. The school will provide the parent volunteers an opportunity to learn more about the program and the different strategies that classroom teachers use. An in-service will be given to all the volunteers. This in-service will explain how the program works. The wonderful thing about the program is that once you have learned the strategies you can also use these strategies to help your own child/children at home.

We hope that you will consider becoming an “All Star Reading Coach”. We know that you will find it to be a rewarding experience for everyone involved.

If you are interested, please feel free to call the school at 905-542-9203 and ask for Mrs. Marano or Mrs. D’Souza. We would love to have you on board.

Please note that a police check must be done in order to become an “All Star Reading Coach”. This can be obtained free of charge from your local police station.

Thank you for your cooperation,
Mrs. T. Marano & Mrs. Y. D’Souza
