CAN YOU HELP US?

In an effort to *think green* and *go green* St. Richard School is inviting you to receive newsletters and other communications **directly to your email inboxes!** Families have the choice to **receive newsletters** and **other school updates electronically**. We encourage families to endorse this initiative by completing the information below. As always, newsletters are and will continue to be posted on our website: www.dpcdsb.org/RICHA

SOME BENEFITS TO MOVING COMMUNICATION ON-LINE

1. Long term reduction of cost to the school and the environment with a reduction in paper copies
2. Ensures information is being received
3. Promotion of St. Richard beyond our immediate community
4. Allows for another form of communication in the event of an emergency (i.e. school evacuation)
