

**CUPCAKE DAY !!!
Monday October 24, 2011
Halloween**

We have decided to keep Cupcake Day at All Saints. We had been talking about cancelling this fun program as a result of the new nutrition rules implemented this year in all schools. However after receiving many comments from students, as well as unanimous support for the program from the school council, we have decided to use some of the "10 free days" that are allotted to schools to cover special events.

We understand there may be confusion about why we allow cupcake days, but do not allow treats into the school on other days in general (birthdays for example). Since Cupcake Day is announced in advance, it gives parents the information they need in order to determine if their child is able to take part in the day. On normal days, when no notice is sent home, parents of children with allergies would not be able to control what food their children are exposed to. We hope this clarifies this issue.

This is our first cupcake day of the year. We ask that the bakers for this first cupcake day come from JK as well as grades 1, 3, 5, and 7, with a Halloween theme. Each student is asked to bring one dozen cupcakes. As always, all grades are welcome to bake.

ALLERGY ALERT:

- NO NUT PRODUCTS, including such items as M&M's, Kisses or any other product which might come in contact with nuts.
- No store-bought cupcakes as we do not know their cooking environment

Please deliver your baking to the school lobby on the morning of Monday October 24, before school starts.

CUPCAKES ARE ON SALE FOR ALL STUDENTS, JK TO GRADE 8, FOR 25 CENTS EACH. DO NOT FORGET YOUR MONEY.

Please mark this important date in your calendar, and THANKS AS ALWAYS FOR YOUR SUPPORT !!

ELEMENTARY SCHOOL MILK PROGRAM

The milk program is already under way at All Saints. It started on Monday October 3th. It is never too late to hand in an order if you have decided that you would like to order milk for your children at lunch. Just get your child to pick up an order form in the office, or go onto the school website at www.dpcdsb.org/ALLST, under the School Council section. Print the form, fill it in and return it to your teacher. Your order will be processed within the week. The options for milk are chocolate milk or 1% white milk, and the price is \$0.80 per 250 ml carton. Thank you.
