

Searching for Ontario Educational Resource Bank E-Learning Resources

1. Open your internet browser and go to the website <https://resources.elearningontario.ca>
2. Log in using the user ID and password obtained from your Mathematics Teacher or from the Mathematics bulletin board outside room 137 (just above the Mathematician of the Week).

3. Read the Terms and Conditions of using the Ontario Educational Resource Bank, and click on ACCEPT.

4. Click on the icon labeled Search:

More than **18000** Resources from K to 12

5. Enter the ELO number from the school website list of resources. It's best if you copy and paste the number.
6. Suppose you want to search for the resource: Scientific Notation: ELO1028060
Search for ELO1028060 – copy and paste the entire ELO number (and the ELO) into the search box and click on Search.

7. Click on the Title of the resource. If you have the correct plug in installed on your computer, then a new window should open with the appropriate tutorial or resource.
