

The Eco-Update

As you may know, St. Agnes is working on becoming an Eco School!! We are working to maintain and exceed our environmental standards!!

Dear Parents, Caregivers and Students,

The Eco Update is being attached to this month's newsletter in order to keep you informed about the initiatives and changes happening at St. Agnes School. If you have any questions or comments, please don't hesitate to call any one of the members of our Eco School Team.

Thank you for your support and dedication!

New Initiatives:

Lights Out Lunches- our environmental team has been visiting each class on a daily basis to survey each classroom and see if they are following our new lights out lunches initiative.

A special thank you goes out to Mrs. Perciballi-Serratore's Grade 5/6 class who has been conducting the surveys at lunch time and compiling all the data. Great job!!!!

Bulletin Board- Please learn more about our Eco Schools initiatives by visiting the environmental bulletin board on the second floor just outside the library.

Thank you once again! Stay tuned for more Eco School Updates!!!!
D. Medeiros-Collins, M. Perciballi-Serratore, S. Russell
