

A large, light gray watermark of the St. Edmund Champion Bears logo is centered in the background. It features a bear's head in profile, facing right, with the words "St Edmund Champion" arched above it and "BEARS" in large, stylized letters below it.

# St Edmund Champion Mission Statement

We at St. Edmund Champion Secondary School share our sense of mission with our Patron, St. Edmund Champion. WE believe that each member of our community is “Named, Called, Chosen” to be a responsible and committed member of our community. It is the mission of our school community to form and nurture young people.

We, at St. Edmund Champion, make it our mission to:

- Form a compassionate and welcoming community
- Be attentive to God’s will for us and to answer the call to service
- Carry the burdens of formation and ministry with joy and hope
- Plant and maintain the seeds of faith and responsible Catholic living.

The Mission of the Track & Field Team at St. Edmund Champion shall be to produce Provincial Level training and opportunities for our men and women who are Student-Athletes, characterized by excellence and accountability. WE preach that our students place their academics first and foremost as there are very strict regulations in place for athletes to be apart of the Team.

It is the our philosophy that our student-athletes will be strongly encouraged and supported in their endeavors to progress towards a degree while simultaneously participating in an extracurricular athletic program whose environment is consistent with the highest standards of academics, sportsmanship, ethics, and school spirit.

St. Edmund Champion has been in existence since 2002. Here at Champion, we have developed a strong winning Tradition in Athletics. Champion Track has been very successful at the Region of Peel Secondary School Athletic Association Championships, Southern Ontario Secondary School Championships and Ontario Federation Secondary Schools Association Championships. We have produced numerous ROPSSAA Champions and to date 6 Provincial Champions. More importantly, we have given young people opportunities to grow and develop outside of the classroom and strive to be the best that they can be.
