

Athletic Council

The Athletic Council Executive (ACE) of Holy Name is a student-run group that organizes and promotes athletics in a variety of ways. ACE is composed of a president, vice-president, secretary, publicity rep, and activity directors. This enthusiastic group runs monthly intramural events after school, promotes and publicizes school teams, and organizes an annual athletic banquet for athletes, coaches, and parents. This years ACE is off to a fabulous start, having organized tours and displays at the BBQ for incoming gr. 9's, run 2 intramurals, performed at the pep rally, organized a sports week, and sold boo grams - all in the first 2 months! The 06-07 school year will definitely be a memorable one for all of those involved in athletics at HNM.
