

# Divine Mercy School is Going Green !

December 2, 2009

We are pleased to invite you to participate in our  
**'DIVINE MERCY Goes Green'** campaign:

We would like to reduce unnecessary paper usage by **e-mailing newsletters, reminders and updates** directly to your inbox!

You will receive regular messages and updates from 'Divine Mercy Info', an e-mail account designated specifically for sending messages to our community.

Please return the bottom portion of this form, indicating your e-mail address(es).

Please feel free to provide as many addresses as you wish:  
at home, at work, both parents, etc.

We will, of course, continue to send hard (paper) copies of any items that require your signature, such as permission forms.

Thank you for your support of our initiatives to reduce the negative impact we have on our environment, and for joining our efforts to model stewardship and earth-friendly actions for our students.
