

Homework Help & OERB Resources – 2011-2012

<http://homeworkhelp.ilc.org>

<http://resources.elearningontario.ca>

Principals and teachers are encouraged to continue having their students register for the Math Homework Helpline and access the OERB. In an effort to further promote these resources we will be using the automated auto-dialler to issue the following information to Parents/Guardians of Grade 9 and 10 Mathematics students. We will schedule the auto-dialler to issue this message on the weekend of January 14 & 15, 2012.

This message is for parents of students enrolled in Grades 9 and 10 Mathematics:

The Independent Learning Centre in cooperation with the Dufferin-Peel Catholic District School Board is offering free on-line tutoring in Mathematics Sunday through Thursday evenings from 5:30-9:30. If your child has not already registered for this free service, please visit www.homeworkhelp.ilc.org. You will need your child's OEN number to register. This number can be found on your child's timetable, or can be obtained from the Guidance Department.

To access the OERB, go to the following website to use these access keys:
