Brampton's Anthony Gale made some history for Canada's national sledge hockey team on Monday in Calgary. Gale scored the game-winning goal for Canada in a 5-2 win over Norway at the World Sledge Hockey Challenge. That goal was the 500th for Canada's National Sledge Hockey team since it came under the umbrella of Hockey Canada in 2004. Gale is in his second year with the national team. On Monday, Canada opened the tournament with an 8-0 win over Japan, the 100th victory for Canada since 2004. Canada faced the 2-0 USA on Wednesday (after press deadline) with first place in the round-robin on the line.
