

Geography Exam Study Package

Name _____

In order to be well prepared for your exam you must make sure that you have all the required units covered in the course. Any missing sections that will be part of the exam must be photocopied and placed in the appropriate location. All the unit tests will be at the end. The overall organization of your study package has to follow a logical sequence. Below is a list of units and examples of topics covered that will be part of your exam.

1. MAP SKILLS
 - Introductory maps (3) of Canada
 - Map tools (Compass Rose, Grid Systems, Top Maps)
2. CULTURAL CONNECTIONS
