--WE NEED YOUR HELP--

PRIZE DONATIONS

FOR DANCE-A-THON 2011

St. Andrew School will be holding its 18th Annual Dance-A-Thon on **Friday, May 27th**. This is our school's major fundraising event of the year.

The Dance-A-Thon is the main source of funding for various curriculum and extracurricular activities at the school. Some of these include student agendas, library guest speakers, gym equipment, anti-bullying program, team uniforms, audio/visual equipment, literacy programs, family and faith development, and Grade 8 graduation. This year each of the classrooms received money to spend within their own class.

Many prizes are awarded to our students during the Dance-A-Thon week, which we solicit from local businesses and through corporate sponsorship. Our parent community has been very generous in past years through prize donations and monetary contributions. We have various levels of prizes.....small to large and the ages of the students range from 4-14. The entire population of students at the school is 460.

You can help your school fundraiser by donating prizes through any corporate connections you may have. All donations are greatly appreciated.

Donations should be dropped off at the school by May 13th, but will be gladly accepted until the week of the event. Please identify in your prizes, the donating family and/or business making the donation. This information will be included on our sponsor board, located across from the gym.

If you have any questions regarding prize donations, please feel free to call Lori Peplinskie at 519-940-8595. Thank you for your continued support!
