

**CHILD CARE PROGRAMS**

Various child care services are available at a number of Dufferin-Peel Catholic District School Board schools. All programs are licensed by the Ministry of Children and Youth Services, and are operated by autonomous child care agencies. Please note that admission policies for all child care programs and the Board's schools are completely separate. Consequently, admittance to one does not automatically assure admittance to the other. **For further information regarding the new Full-Day Kindergarten Programs, please refer to Page 30.**

**Child care centre operators should be contacted at the phone numbers indicated on the chart below for information regarding any aspect of these programs including: fees, hours of operation, availability of space and fee subsidies.**
