1.10. CONSULTANTS

1.10.1. The Sub-Consultants on this project are identified in the Contract Documents.

1.11. BID SUBMISSION DEADLINE TIME

1.11.1. Time on the official clock ("time stamp device") is measured in hours and minutes only - not hours, minutes and seconds.

INSTRUCTIONS TO BIDDERS

---

- 1.11.2. Submitted Bid Submissions shall be deemed "On Time" for as long as the official clock shows XX.00 p.m. Submitted Bid Submissions shall be deemed "Late" if the submission is stamped by the official clock as XX.01 p.m.

**1.12. BID SUBMISSION ACCEPTANCE AND OPENING**

- 1.12.1. The Board endeavours to open all Bid Submissions in public as soon as possible after (TIME) local time, on the date of the closing of the Bid Submission. Bidders and other interested parties may attend the opening.

**1.13. BID SUBMISSION REJECTION**

- 1.13.1. The Board reserves the right to reject any or all proposals submitted, without explanations, and to waive any informality in same. ***The lowest or any Bid Submission shall not necessarily be accepted.***

**1.14. SUB-CONTRACTORS**

- 1.14.1. The General Contract Bidders are required to submit, on the *Form of Tender*, the names of prequalified Mechanical and Electrical Sub-Contractors that each General Contract Bidder proposes to use on this Project.

- 1.14.1.1. On the *Supplementary Information Form*, the bid amount of each of the named Mechanical and Electrical Sub-contractors will be indicated. The bid amounts are to be exclusive of GST.

- 1.14.2. The low General Contract Bidder is also required to submit, on the *Supplementary Information Form*, a further list of Sub-Contractors. The General Contract Bidder shall name in this list the Sub-Contractors proposed to perform the Work under the Contract. No substitutions to these lists shall be made without the written approval of the Consultants.

- 1.14.3. Other than the prequalified Mechanical/Electrical Sub-Contractors, the selection of all other Sub-Contractors must be acceptable to the Board and to the Consultants. If the required substitution of a Sub-Contractor affects the sub-tender price, an adjustment will be made in the amount of the General Contract only by the amount of the difference in sub-prices, without additional overhead or profit to the General Contract Bidder.

- 1.14.4. If the General Contract Bidder proposes to do Work with persons directly in the Contractor's employ, and not sub-contract the Work, then the Bidder shall insert the words "*Contractor*" ***provided*** that the Bidder can submit proof that his forces have had extensive experience in this field of endeavour.

- 1.14.5. Sub-Contractors shall be actually engaged as their own recognized business, in the line of Work required by the specifications and shall carry out

**INSTRUCTIONS TO BIDDERS**

---

themselves the Work which they are awarded by subcontract. They shall not be permitted to re-subcontract their Work or portions thereof, to other contractors. THIS INCLUDES SHOP DRAWINGS.

**1.15. UNIT PRICES**

- 1.15.1. Refer to *Supplementary Information Form* for specific requirements. The General Contract Bidder should be aware, however, that Unit Prices for additional Work shall not exceed Unit Prices for deducted Work by more than 20%; that the Board reserves the right to accept or reject any or all of the Unit Prices prior to entering into a contract; and that the Board reserves the right to negotiate any of all of the Unit Prices with the Contractor prior to the signing of the Contract.
- 1.15.2. Should the Board and the General Contractor be unable to mutually agree on the amounts of the unit prices, the General Contract Bidder agrees that the Board has the right to hire outside contractors to perform the pertinent Work under a separate contract, without any financial penalty whatever to the Board and without additional overhead and profit to the General Contractor.

**1.16. COMPLETION DATE**

- 1.16.1. Bid Submissions must include all costs involved in having the Contract "Substantially Complete" by the date specified in the *Form of Tender*.
- 1.16.2. Work must continue during all adverse weather conditions as necessary to ensure completion by dates listed on the *Form of Tender*.

**1.17. OCCUPANCY REQUIREMENTS**

- 1.17.1. The building(s) shall be deemed to be ready for occupancy when the Contract meets the requirements of OAA/OGCA Document 100, Construction Lien Act (Latest Amendments) and occupancy approval of all Authorities Having Jurisdiction.
- 1.17.2. Refer to **Supplementary General Conditions to CCDC 2, 1994** for "Board Occupancy" and "Occupancy prior to Substantial Completion."

**1.18. BID BOND, PERFORMANCE BOND, LABOUR & MATERIAL BOND/MAINTENANCE BOND**

- 1.18.1. Each General Contract Bid Submission shall be accompanied by a Bid Bond and Agreement to Bond in the most recent form approved by the Canadian Construction Association from a Surety Company, acceptable to the Board in the amount of \$XX,XXX together with an Agreement to Bond. Bid

INSTRUCTIONS TO BIDDERS

---

Submissions not accompanied by a Bid Bond and Agreement to Bond will be declared informal.

- 1.18.2. This Bid Bond shall be forfeited if the General Contract Bidder declines to enter into a Formal Contract in the amount tendered, or as adjusted according to the separate prices included in the Bid Submission, and to furnish, when called upon to do so, a Performance Bond. This Bid Bond shall be accompanied by an Agreement from the Surety Company that a XX% Performance Bond and a XX% Labour and Material Payment Bond will be issued to the General Contract Bidder if he/she is awarded the Contract. The cost of the Bonds shall be included in the amount of the Bid Submission.
- 1.18.3. Retention and use of the Bid Bond, as outlined above, shall not be deemed a penalty, but a consideration to the Board for inviting and considering the Bid Submission and as part payment for sustained damages and costs incurred by the Board, which shall be deemed to be the difference between the bid price of this General Contract Bidder and the bid price of the next lowest General Contract Bidder acceptable to the Board.
- 1.18.4. A Performance Bond, equal to XXX% of the Contract Price, shall be furnished through a Surety Company or Insurance Company approved by the Consultant and the Board according to terms and conditions acceptable to the Board and the Consultant.
- 1.18.5. Labour and Material Payment Bond, equal to XXX% of the Contract is to be provided within ten (10) Working Days upon request, stating that Board will not be held responsible if payment to Sub-Contractors, as certified due by the Consultant, is not made by the General Contractor when due.
- 1.18.6. On completion of the Work, the Performance Bond shall remain in force as a MAINTENANCE BOND for a period of one year from the date of acceptance of the building by the Board. It shall form a *Guarantee of Workmanship and Materials* for the one year period.
- 1.18.7. The General Contract Bidder to whom the Contract is awarded must properly sign the Contract and furnish a satisfactory Performance Bond, Labour and Material Payment Bond, Insurance Certificate and Workers' Compensation Board Certificate within ten (10) Working Days of acceptance of the Bid Submission by the Board, or forfeit the Bid Bond.
- 1.18.8. In addition, the General Contract Bidder shall require from the following Sub-Contractors a performance bond, issued by a duly licenced surety company authorized to transact a business of suretyship in the Province of Ontario, and which shall be maintained in good standing until the fulfilment of the Contract. The form of such bond shall be in accordance with the latest edition of the CCDC Bond forms. Performance Bond is to be in the amount of XX% of the Sub-Contractors' tendered sum.

**INSTRUCTIONS TO BIDDERS**

---

**1.23. DISCREPANCIES AND OMISSIONS**

- 1.23.1. All Bidders finding specified items unavailable, finding discrepancies in, or omissions from, the drawings or specifications or other Contract Documents, or having any doubt as to the intent or meaning of any part thereof, shall at once notify the Consultants.
- 1.23.2. Corrections of such discrepancies, and/or omissions, further explanations, definitions or additional information as necessary will be issued by the Consultant(s) during the time of bidding in the form of Addenda to all prequalified Bidders. *These shall become part of the Contract Documents and the number of Addenda included in the bid price must be shown on the Form of Tender.*
- 1.23.3. Minor typographical or spelling mistakes in the Contract Documents may not necessarily be corrected by Addenda if they do not significantly affect the meaning of the sentence or phrase in which they occur, or alter the intent of the Work.
- 1.23.4. NO ORAL INSTRUCTIONS WILL BE VALID.

**1.24. BIDDING ASSUMPTIONS**

- 1.24.1. All bids submitted, including bids by Sub-Contractors, are assumed to be based upon the complete set of Contract Documents. No alterations in prices for items of Work will be considered even if it is determined by the Consultants and/or General Contract Bidder that sub-bids were not based on the complete set of documents (e.g. bids based upon Specifications but not on drawings and vice-versa, omitted addenda etc.).

**1.25. ERRORS IN BID SUBMISSION**

- 1.25.1. The Board shall not entertain requests for gratuitous payments arising from errors alleged to have been made by the General Contract Bidder in a Bid Submission that the Board has accepted.

**1.26. INQUIRY AND INSTRUCTION**

- 1.26.1. All correspondence, inquiries, instructions, etc. in connection with the Work shall be made through the office of the Architect (Prime Consultant) whose name address and telephone number appear below:

NAME, ADDRESS AND PHONE NUMBER OF ARCHITECT  
NAME OF CONTACT PERSON

**1.27. EXAMINATION OF SITE**

- 1.27.1. Before submitting the bid, the relevant Bidders shall examine the site, and the Geotechnical and/or Environmental Soils Investigation Reports as may be included in this Specifications. The General Contract Bidder shall ascertain the extent and nature of the materials it may be necessary to remove or add in order to reach, or provide the depths, levels and grades required. The General Contract Bidder must determine that all of his/her calculations are made in accordance with the drawings and specifications and the Soils Reports.
- 1.27.2. Bids shall include the cost imposed by existing conditions and limitations of site and the accepted bid shall be held to have included such costs. NO ALLOWANCE WILL BE MADE FOR FAILURE TO EXAMINE THE EXISTING SITE.
- 1.27.3. The levels and other information shown on the drawings are furnished in good faith for the guidance of the Bidders. This information, however, shall in no way relieve the General Contract Bidder of the responsibility in ascertaining to his/her own satisfaction the nature of all conditions at the site.

**1.28. BUILDING PERMIT**

- 1.28.1. Building Permit has been applied for by the Consultant and a deposit paid. Balance of the Permit cost shall be paid by the General Contractor and reimbursed from the Cash Allowance.
- 1.28.2. The Building Permit has been prepaid by the Board. The General Contractor is NOT to include the cost of the Building Permit in the Bid Submission.

ARCHITECT IS TO DETERMINE WHICH OF THE ABOVE TWO CLAUSES APPLY ON THE PROJECT.

- 1.28.3. The General Contractor must, however, pay all other necessary fees, deposits and charges related to Municipal, Provincial and Federal Requirements. The General Contractor is responsible for determining the amounts of these permits, fees, etc.

**1.29. CONTRACT DOCUMENTS**

- 1.29.1. The Contract shall be subject to the **Canadian Standard Construction Document CCDC – 2 1994 for Stipulated Price Contract** all Supplementary Conditions and Contract Documents as prepared by the Consultants. Successful bidder must sign a Contract within ten (10) Working Days of notification of award. ***The Contractor shall not be entitled to any payment until the Contract is signed.***

**INSTRUCTIONS TO BIDDERS**

---

1.29.2. All Contractors will be held to have examined and made themselves familiar with the various articles of these Standard Documents and shall be as binding for all sections of the following specifications as though written in full therein.

**1.30. DEPOSIT ON PLANS**

1.30.1. Each prequalified General Contractor bidding and each prequalified Mechanical and Electrical Sub-contractor bidding, shall deposit with the Consultant, a certified cheque for \$XXX.00 made out to Dufferin-Peel Catholic District School Board when requesting each set of drawings and specifications. Bidders may request 2 sets only. Additional sets may be purchased at a cost of \$XXX.00 per set. Drawings and Specification will be on view at the Toronto, Mississauga, Hamilton, Barrie and Grand Valley Construction Associations' offices.

1.30.2. The cheque of the unsuccessful Bidders shall be returned to them on return of the Contract Documents to the Consultant in an unmarked condition, but provided that these are returned within 10 days of receipt of tenders OR of rejection of all bids. The Consultant shall be the sole arbiter of the Contract Document's unmarked condition.

**1.31. FINAL ACCEPTANCE**

1.31.1. It must be clearly understood that final acceptance of this Tender is subject to approvals of the Board and other Authorities and these may delay final approval. There will be no adjustments in the tendered price for a period of xxxxxx (XX) Calendar Days from receipt of Bid Submissions due to delays resulting from obtaining necessary approvals.

**1.32. SALES TAXES**

1.32.1. The Bid Submission amount shall include all applicable P.S.T. and excise taxes, custom duties, freight, exchange and all other charges in effect and known to come into effect during the construction of the building described in this Contract. The Bid Submission (Form of Tender) shall exclude GST.

1.32.2. The successful Bidder must provide his G.S.T. Registration Number and each request for payment must show this number.

**1.33. INSURANCE COVERAGE ON EXISTING SCHOOLS VACATED DURING CONSTRUCTION**

1.33.1. On projects where the Board has vacated the premises and handed the building and/or property to the General Contractor, it is the responsibility of the General Contractor, as part of the Bid Submission, to carry an Insurance

INSTRUCTIONS TO BIDDERS

---

Policy that includes the value of the existing building and property, in addition to the value of the Contract. Such Insurance Policy will remain in effect until the Completion of the Work as certified by the Architect.

1.33.2. The Architect has determined that the value of the Board's building and property is \$XXX,XXX.

(ARCHITECT TO DELETE ITEM OR DETERMINE VALUE.)

**1.34. WORK HOURS**

1.34.1. Work in all schools occupied by students or staff, (including summer school) whether additions, renovations or for deficiency corrections in new schools, should be specified as follows:

1.34.1.1. As per Board policy, the normal work hours in, or access to, occupied school buildings are from 4:00 pm. to approximately 11:00 pm., Monday to Friday.

1.34.1.2. Weekend work can be arranged with 48 hours notice.

1.34.1.3. The Board does not allow any painting (other than minor touch-ups), gluing (resilient flooring), welding or any other activity that produces noxious smells on Monday through Friday.

1.34.1.4. Any asphalt paving or roofing work must be arranged for weekends and holidays.

1.34.2. There will be no interruption of utilities and life safety systems (fire alarm, emergency lighting and sprinklers) during occupied hours of the school. Where utilities must be interrupted, during unoccupied hours, the existing school and its equipment and/or contents must be protected and operation made good.

1.34.3. All trades/ personnel must check in with the office and advise the Custodian the nature and location of their business. For emergency work, required during regular school hours, trades/personnel must report to the office and be accompanied at all times by school staff.

1.34.4. Criminal reference checks are required where personnel are required to access the occupied school, on a regular basis.

**1.35. LONG DELIVERY BUILDING COMPONENTS**

1.35.1. General Contract Bidders should note that the Consultants have identified below, building components that currently have long delivery dates. These

**INSTRUCTIONS TO BIDDERS**

---

components are to be purchased by the General Contractor and or Sub-Contractors immediately upon award of Contract.

1.35.2. Contractors must note that the First Progress Payment will not be approved until proof of purchase, (by copy of a Purchase Order) is available for review by the Consultant.

1.35.3. The Board will pay for such components prior to installation, if the following conditions are met by the General Contractor:

1.35.3.1. The component has been delivered to the site and is protected from damage, weather or theft.

1.35.3.2. The component is delivered to a bonded warehouse with the Dufferin-Peel Catholic District School Board's ownership clearly marked upon it. Cost of warehousing will be borne by the Contractor warehousing such a component.

1.35.4. The building components that are to be purchased:

ARCHITECT TO DISCUSS WITH BOARD AND FILL IN A LIST OF LONG DELIVERY BUILDING COMPONENTS IF ANY – IF NOT APPLICABLE, DELETE ENTIRE ITEM.
