Principal's Report

By J. Giancola

At this time next year, Loyola will be in the new building. This new school will offer nine of the twelve Ministry Technological courses such as: Cosmetology, Hospitality, and Health Care. The school will also have an all-purpose sports field, three gymnasiums and a lecture hall.

September started off with many activities within the school community. We began the school year with a school mass at St. Ignatius of Loyola Church. Our LINK Crew was busy mentoring our grade 9 students and introducing them to the school. We also had an all candidates meeting for the provincial elections in our library, after which our students had an opportunity to participate in Student Vote. Finally, we had representatives from Ontario Colleges visit us to discuss programs for our senior students.

October was a very busy month with a number of student presentations such as: Child Slavery, Mental Health Presentation, Haitian Dancers, Holocaust Display and Gwynne Dyer. We also celebrated our students success at the Loyola Awards Night and enjoyed a student talent show called "School of Rock".

On November 2nd, grade 9 students had the option to go to work with their parents on "Take Our Kids to Work Day".

We would like to welcome Fr. Silvio to the Loyola Community. We look forward to celebrating our faith with him. We would also like to welcome new teachers to our school Ms. Sullivan, Ms. Isaac, Ms. Mohipp and Mr. Randall. Also, we welcome our LTO teachers this year: Ms. Fijan, Mr. Cornwall, Ms. Liczner, Ms. Solorzano, Ms. Cosentino, Mr. O'Gorman, Mr. Pang, Ms. Roth, Ms. Alvarez, and Ms. Viola Pratt.

I would also like to congratulate Laurie Eschli and Vince Mammoliti on being nominated co-chairs for the Loyola Catholic School Council. Finally, I would like to thank our trustee Sharon Hobin and our Superintendent Cathy Saytar for being visible, accessible and supportive to the Loyola community. I want to wish all the students and staff a great year at Loyola.

Burnhamthorpe and Ridgeway...
here we come!

Looking good!

Chaplaincy Report

D. Smibert

Welcome back everyone!

Fall is upon us and the Chaplaincy program here at Loyola is up and running for the new school year. I would first like to welcome Father Silvio to the Loyola school community. Father Silvio is the new Associate Pastor at St. Ignatius of Loyola Church. Father Silvio has taken over from Father Joe Gorman. We, as a school community, are very thankful for the work of Father Joe over these past three years and how he made such a positive impact. We wish him all the best.

Father Silvio celebrated our opening school masses on Tuesday, September 27. Thank you for being part of the Loyola community. We look forward to working with you this school year and beyond.

The retreat program has begun. The Grade 9's, 10's and 12's started right away in September and the Grade 11's will start in November.

This past summer, we lost two former staff members to cancer - Debra Courville and Eileen Fleming. On October 4th we gathered our school community together in the school chapel to remember their lives and the impact that they had on Loyola.

As we move ahead throughout this year, may we always be aware of the less fortunate around us and continue to respond to the needs within the school community.

Loyola Catholic School Council

By Laurie Eschli, Co- Chair

Congratulations to the following members of the **2011-12 Loyola Catholic School Council**:

Council Executive: *Co-chairs* - Vince Mammoliti and Laurie Eschli
Secretary - Bernadette Jarvis
Treasurer - Maral Shokoohideh, St. Ignatius Loyola
Parish rep - Marilyn Gomes

Parent Members: Karen Becke, Carmen Cutajar, Rosalind Majanil-Morrow, Sita Power, Mary Beth St. Louis and Muna Shanta.

Student Council: Denise Brand

Staff members: *Principal* - Joe Giancola
Vice-Principals - Sandra Antonutti, Shawn Clarkin
Teacher rep - Maureen Dugo
Non-Teacher rep - Margot Pasquini
Chaplain - David Smibert

Thank you for taking time from your busy schedules to help support the staff, the education of students and the Loyola community.

Loyola School Council meetings offer an opportunity for parents and staff to come together to discuss and give input on issues that may affect the Loyola students and community, keeps you informed first hand - on updates on Loyola 2012, school events, curriculum, Dufferin-Peel and Ministry of Education updates and allows you to socialize with other parents. Education is a partnership. Your involvement in the council gives you the opportunity to strengthen that partnership; your participation can make a difference!

Loyola School Council meeting dates:

When: Always on Mondays from 7:00 – 9:00pm

November 7, December 5, January 16, 2012, February 6,
March 5, April 16, May 7 and June 4

Where: Loyola school library.

All parents and guardians of Loyola students, and teachers are welcome and encouraged to attend; you do not have to be a council member to attend any of our meetings.

From Your Catholic School Trustee

Sharon Hobin, Trustee, Wards 2 & 8 and Vice Chair

Time, as ever, is moving very quickly and we are now looking at mid-term report cards. Since last I wrote to you I would like to bring you up to date on what is happening in the board and of course, at Loyola. The new school is moving along at what seems, record speed! It will be a state of the art building with the latest of technologies as well as all the latest green initiatives. We are still slated to open September 2012. In general, we have had a very smooth start up at Loyola and all the schools in the board. We are still considered a growth board but as you know we are seeing decline in the south, east and west Mississauga. The good news is we are over projections in many of my elementary schools which is great news. So for the over 85,000 students and over 10,000 employees this has been a very good start. We are continuing to retain over 96% of our students from grade 8 to grade 9. Our Full Day Learning is to capacity with some students on waiting lists. We are seeing a steady flow of students who are moving to the Catholic system which is a recognition of the value of Catholic education.

This September, we have begun the full implementation of the New Healthy Food Policy in our secondary and elementary schools; a significant change for many in our daily practice. More information will be forthcoming as we work through this year. Trustees also approved a policy on school fees that is shaping our practice starting this September. More information on this subject will be coming your way. We are also gathering information around school fundraising and along with the Ministry of Education will be formulating a new fundraising policy for schools in the near future.

One of our largest investments this year is in the hiring of a total of 37.5 qualified individuals to better service our identified students as Education Resource Workers. Our investments in school based resources for this September has been \$1.5 million for Science textbooks to support student achievement and \$2.0 million for text books for various subjects. All of these funds came from our accumulated surplus, as directed at the December 14, 2010 Board Meeting, for expending this fall. In addition, we have launched our new Community Studies Project in Grades 7 and 10, which will provide students with an understanding and appreciation of this province and this region and the role Catholic Education has played in the development of our communities.

Congratulations to Loyola and all of our DP schools for their excellent EQAO results. While we know that EQAO is a snapshot of the students' work it does give us some of the data we need to make decisions about program improvements and new initiatives needed to improve student achievement. While the ministry cut budgets in textbooks and technology we were still able to install 212 Smart Boards in our schools as well as refresh over 800 computers. A total of 3000 desktops in secondary schools received memory upgrades.

I have had opportunities of late to see Loyola students present to the board of trustees the Loyola Link program as well as see Loyola students and staff join and support teams, clubs, outreach projects and community activities. The Loyola Catholic School Council is always welcoming parents to their meetings and thanks to them for all of their hard work and dedication. As ever, a big thanks to Monsignor Shiels and Father Silvio for their constant support. Congratulations to MPP Harinder Takhar for winning the Mississauga Erindale seat and Charles Sousa for winning Mississauga South seat in the Provincial Election. I look forward to working with each of them.

Please do not hesitate to contact me. I know it is very early but as I may not have an opportunity, Merry Christmas and all the best for 2012! May the good Lord always hold you in the hollow of his hands.

Families in Need of Financial Assistance (New Policy)

Loyola has now partnered with the Salvation Army in order to help out any of our families in need of financial assistance. In order to receive assistance from the school, parents must contact their child's Vice Principal and then register with the Salvation Army.

Loyola Remembers...

Eileen Fleming

This past summer, our Loyola community lost two founding members of Loyola Catholic Secondary School with the deaths of Eileen Fleming & Debbie Courville. Both Eileen & Debbie were at Loyola from the very beginning in 1978.

Eileen Fleming served as our head of guidance from 1978 until her retirement in June of 1997. She took the lead in guidance as we became a high school in the mid-1980s. She was a good friend & mentor to so many teachers through the years.

Debbie Courville taught both phys. ed. & French during her 22 years at Loyola. She was also our phys. ed. dept head. She coached both basketball & soccer for many years. She left Loyola in 2001 to become a consultant in Halton & finished her career at the Ministry of Education.

Both of these ladies lost their battles with cancer this summer. They both made major contributions to education in general & Loyola in particular.

We thank Almighty God for blessing us with their influence & friendship through the years.

Deborah Courville

Student Council News

Denise Brand, Student Council President

My fellow students, welcome back to another exciting year at Loyola! We hope you had a restful summer and are excited about the new year. Student Council is very happy to announce that we have planned out an amazing year for you all filled with events that you are sure to enjoy.

September was a busy month for everyone, as we were settling into the new school year and getting back to our usual school routine. On our first Civics Day, we let the students enjoy some music on their lunches to set the tone for the upcoming year. A school BBQ was also set up for the students on October 20th with help from teacher and student volunteers. Student Council also put together our annual haunted house to celebrate Halloween at the end of October for all grades in the cafeteria. Students lined up on their lunches and were taken through the haunted house. It sure was a scary sight for all!

Jumping ahead, Student Council is looking forward to our annual semi-formal which will take place for our grade 11 and 12 students on November 17th at Le Dome banquet hall in Oakville.

I speak for everyone on council when I say that we have planned an amazing year for all students and we can't wait to see you come out and take part in the excitement!

Dufferin-Peel Students Continue to Shine on Latest EQAO Tests

Recently released EQAO test results for primary (Grades 1-3) and junior (Grades 4-6) assessments of reading, writing and mathematics, and the Grade 9 mathematics indicate that Dufferin-Peel students continue to meet or exceed provincial averages.

Some of the improvements this year over last year are as high as 6% and 10%. This is great news for our students and shines a light on the hard work of faculty, staff, administrators and trustees in aligning system resources to support all learners.

Assessment	2009-2010	2010-2011	1-Year Comparison
Primary Division (Grades 1-3) Reading	62%	68%	+6%
Primary Division (Grades 1-3) Writing	71%	76%	+5%
Primary Division (Grades 1-3) Mathematics	71%	69%	-2%
Junior Division (Grades 4-6) Reading	73%	77%	+4%
Junior Division (Grades 4-6) Writing	76%	78%	+2%
Junior Division (Grades 4-6) Mathematics	63%	62%	-1%
Grade 9 Academic Mathematics	85%	87%	+2%
Grade 9 Applied Mathematics	42%	52%	+10%

** Results indicate percentage of students who achieved at or above the provincial standard (Levels 3 and 4)*

While this year's results are impressive, results over the past several years provide further evidence that Dufferin-Peel students continue to improve over time. This is great news, but it doesn't mean we cannot do even better. Board staff will further analyze the EQAO results to provide support to schools, students and parents/guardians to ensure that more students continue to improve in all assessment areas. Each school has its own plan, which will be reviewed in the context of its students' test results, to improve students' skills in all subject areas. School plans include strategies to assist all students, including intervention and reinforcement for students who did not achieve the provincial standard.

Check your school website, or contact the principal for your school's EQAO results. Additional information can be obtained through the EQAO website at www.eqao.com.

College and University Visits

During the past few months, representatives from Ontario universities and colleges visited Loyola's grade twelve students to discuss post-secondary programs and the admission process. Students should continue their research by visiting <http://www.dpcdsb.org/LOYOL/Guidance>. This website has valuable information and links to various post-secondary institutions and other helpful sites.

University Applications

The deadline for university applications is January 11, 2012. The application is completed on line at www.ouac.on.ca. Personal Identification Numbers (PIN) are required to access the COMPASS 101 application. These numbers will be distributed to students as soon as they become available. Workshops will be offered to students to explain the application process, and a tutorial on the procedure is available at the OUAC site. Students should also visit www.electronicinfo.ca, a database of all Ontario university programs.

College Applications

February 1, 2012 is the due date for college applications in order to receive equal consideration. The college application is completed online at www.ontariocolleges.ca. Special identification numbers are not required, and workshops will be held to explain the college application process. There is also a tutorial available at the Ontario colleges' site.

Reminder to all students graduating in June 2012

The deadline for submitting evidence of the completion of 40 hours of community service is **Thursday, January 12, 2012**.

Completing 40 hours of community service is a graduation requirement, mandated by the Ministry of Education. Students will not receive a high school diploma, nor will they be able to proceed to college or university, until this requirement is met.

Registration Forms for the 2012-13 School Year

During November and December, counsellors will be providing information about course selections to both grade eight students from Loyola's family of elementary schools and to current Loyola students. Special evening presentations will be scheduled for parents of elementary school students. A curriculum night and information session on Thursday, January 19, 2012 will include the following events:

- General overview of the OSSD at 7:00 pm in the cafeteria.
- Department displays in various classrooms from 7 pm to 9 pm.

Registration forms are due Monday, February 28, 2011 for equal consideration.

Take Our Kids to Work Day

On Wednesday, November 2, the grade nine students spent the day at their parents' workplace to observe them at work and to gain a better understanding of the employability skills required for success. The experience can help them make appropriate course selections and clarify their goals for the future.

H.O.P.E. is Here

The Loyola club called H.O.P.E. (Helping Other People Everywhere) is back and making a difference in the lives of other people. After some fun getting-to-know-you activities as well as some brainstorming of ideas for charity projects throughout the year, the HOPE calendar is filling up quickly.

We have already enjoyed some hands-on activities like creating crafts for Meals on Wheels and caring for the Peace Garden in front of the school.

In October, we turned the cafeteria into a giant bakery after school as members formed teams to bake, from scratch, tasty—and healthy—treats for our annual October Halloween Bake Sale to raise money to sponsor two children through the Chalice Catholic charity. Club members also wrote letters to our adopted

children to make a personal connection.

The club will continue making a difference throughout the semester. If you are interested in seeing what the club is all about, and would like to meet new people, drop by Tuesday after school in Room 141. New members are always welcome. We meet every Tuesday and we H.O.P.E. to see you there!

Loyola Christmas Hamper Drive 2011

M. Heist, on behalf of the Loyola Christmas Basket Committee

Preparing Christmas baskets for needy families in our community is a long-standing tradition at Loyola Catholic Secondary School. Each year, the school receives the names of families from St. Vincent de Paul Society and from our own school community. The staff and students in each homeroom class are asked to contribute to the creation of these baskets. Last year Loyola raised over \$7000 in food, and gift vouchers to help those in need in our community.

A Christmas hamper will assist families with dinner and gifts throughout the holiday season. Since individuals have unique tastes, different cultural celebrations as well as preference in the purchase of the toy that their children are wishing for, we are asking for monetary donation or vouchers to allow the families to purchase their own Gifts, and food items. *This is not a food drive.*

Students and their families can make donations through homeroom classes. Any corporate sponsorship or donations would be greatly appreciated. These donations go straight to families in our school and our community. Our chaplain, Mr. D. Smibert and our Youth Worker Mrs. Bishop personally deliver many of the baskets. There is no middle person. Your contribution goes directly to the families.

The Christmas Hamper Drive will begin on Monday, December 5th and end on Friday, December 16th.

The need at Christmas is always the greatest. Any and all donations can make a huge difference this Christmas for a family in need. Please help us make a difference.

Thank you for your support with our Christmas Hamper drive.

CO-OP Program

Congratulations to the co-op students for a successful start to their chosen field of work. After completing self-assessment exercises that matched their interests and skills with a desired occupation, the students then rehearsed interviews, updated their resumes and prepared cover letters in anticipation of their real-world experience. From the chart below, you can see the variety of professions and trades that our students have filled. We would like to thank each organization for taking the time to train and supervise our students in their chosen field.

PhotoSensitive Winner – Keara Clarke

Congratulations to Keara Clarke whose photo on the theme of energy was selected for the PhotoSensitive

online and travelling gallery. Keara's artist statement says, "The sun is the oldest and most important source of energy on the planet." Her photo tries to embody the power and strength and show how important the sun is. To see a link to her photo and the online exhibit, click on the Energy Project link and then select "student" at the top of the page. From there, scroll down to Loyola Catholic Secondary School.

DECA DECA DECA

By Jakub Stach, student

This year's DECA is already off to an explosive start. Each year, members of DECA participate in competitions that prepare them for the business world. The team is focused on training students for oral and written competitions, and helps focus on business skills such as presentation, confidence, public speaking, and time management. Students are also given in depth knowledge on marketing as well as different aspects of business, which in turn helps them perform better in class. Members have been successfully participating in the sale of SPC cards within the school community, helping raise funds for the club as well as the various charities that it supports. The Written Competitions took place on November 1st and were followed by the Regional Oral Competitions for the Marketing Cluster which took place at Gordon Graydon Secondary School on November 12th. We encourage parents to come out and support the club by participating in the Annual DECA Silent Auction during second semester's parent teacher night. SPC cards will continue to be sold throughout lunches in front of the cafeteria, and at the business office. The cards are priced at nine dollars. The club allows students to interact and network with their peers, teachers, business as well as the community at large. Most importantly DECA helps students "Make a Difference", which is the motto here at Loyola Catholic Secondary School.

Youth Rally

By E. Fijan

On Thursday, October 13th, a select group of students attended the Mississauga South Family of Schools Youth Rally at Pope John Paul II Polish Cultural Centre. This event brought together students from 4 secondary schools and 22 elementary schools to participate in various faith-based activities. Students from Loyola had an opportunity to mentor elementary students from St. Louis, St. Margaret of Scotland and St. Helen. After a busy morning of ice-breaker games, everyone was treated to a performance by the Resurrection Dance Theatre of Haiti. The afternoon was filled with many fun activities that encouraged the students to focus on the blessings we have in our own communities. All of the youth ambassadors were asked to spread what they learned at the rally within their school communities. Stay tuned for some faith initiatives from Loyola's own youth ambassadors – Allie Duggan, Lynda Zolcinski, Nicholas Amorim, Justin Lachine, Alejandra Gutierrez, Cassandra Lima, Matthew Matteazzi, Matthew Nosotti, Hollie Boodram-Panesar, Evelyn Tewolde, Christine DeCaire, Jaclyn Tomlin, and Bradley Thompson.

People United for Success and Hope

By Michal Groszek, P.U.S.H. student

P.U.S.H. (People United for Success and Hope) is an alternative setting for students who are in grade 12. We are all leaders, bringing the school community together with the many different types of initiatives that we organize every semester. From "Boy's Night In" to "Hoopfest", we are always planning something!

For the 4 years that P.U.S.H has been around, we have planned and executed many events for the school and even the community. Many of you have probably walked by our class, looked in and thought "what do they do in there?" The answer is "a lot". From all of the events we plan, the trips we take, and the involvement in community outreach, we really have our work cut out for us. From the weekly trips to St. Clare to the food drives for the homeless, P.U.S.H. is here to make Loyola and the community one giant family!

Link Crew Welcomes the Grade 9's to Loyola

The grades 9's were welcomed by the student leaders and staff advisors of the Link Crew program on Orientation Day. An awesome human tunnel of grade 11 and 12 students cheered wildly as the newest members of Loyola community streamed into the gym for a morning assembly of ice breaker activities. After turning the gym floor into a maze of intermingling grade 9's, the senior student Link Leaders were sent in pairs to separate classrooms to get to know their small Crew of grade 9 students through a variety of fun and team building activities. The Link Leaders then escorted their Crew on a tour of the school building before being fed by Student Council who hosted the grade 9 BBQ.

On the Friday September 9, 2011, of the first week of school, the fifty Link Leaders, wearing their easily identifiable blue shirts, served ice cream or popsicles to the grade 9's and sat with their Crew during the 3A lunch to check in, share their experiences of the first week of high school and create their own identifiable crew logo. An assembly to help the grade 9's complete their Community Hours of Service is planned for November and other supportive events will occur throughout the year.

Link Crew is a year-long program designed to help the grade 9's integrate smoothly into high school life. The Link Crew Leaders have been awesome as ambassadors and mentors to the grade 9's. The staff coordinators, Ms Antonutti, Ms Fijan, Ms Matyszczuk, Ms McFadden, Ms Piercey and Ms Solarzano would like to thank the senior students listed below for attending the two-day training sessions during their summer holidays to plan for Orientation Day. Loyola looks forward to more Link Crew activities during the school year.

Mississauga-Erindale MPP Candidates Debate at Loyola

By E. Odozor

On Thursday, September 29th, all four Mississauga-Erindale provincial candidates addressed Loyola students and staff in a town-hall meeting. The question and answer session, organized by the Teacher-Librarian, Mrs. Odozor, gave our students a closer opportunity to meet the candidates, hear them share their mandates and watch them discuss the issues. Our students demonstrated great citizenry. They asked questions about the Ontario educational system, employment and health care. Our students wanted to know each candidates stand on Catholic education. In attendance were David Brown (PC), Otto Casanova (Green), Michelle Bilek (NDP), Harinder Takhar (Liberal), and Sharon Hobbin (Trustee). The session was moderated by Brad Thompson, our student Vice President.

Student Vote Program

By E. Odozor

Loyola Library once again opened its doors for our students to experience the voting process by giving them a hands-on experience. 219 Loyola students participated in the 2011 Student Vote Program, a program that educates young people about voting. Since results have shown that less than 50% of Canadians participate in the electoral process, it becomes imperative that young Canadians are reached early in life and given the opportunity to develop the habits of informed and engaged citizenship. This Student Vote Program helps to create that awareness.

Out and About with P.I.P.

In September we celebrated so many summer and September birthdays. We sang Happy Birthday to Andrew, Sean, Pat, Daniella, Kirsten, Ms. Boily, Ms. Dugo, Ms. Firlotte, Ms. Iwasiw, and Ms. Nordt. Chocolate cake was enjoyed by all.

We visited The Griffen House in Ancaster. We saw the original Griffen House ruins which were destroyed by a fire. We had a great tour of the Griffen House Museum where we enjoyed apples and apple juice. Then we stopped for lunch at Maple View Mall.

The PIP class participated in the Bocce Ball Tournament at St. Marcellinus. It was a beautiful day and everybody did great. The Warrior Bocce Ball team got ribbons. Ms. Dugo took a lot of pictures. We all had a lot of fun.

In October we had a Thanksgiving luncheon. We ate broccoli, ham, pineapple, potatoes, and corn. We had brownies for dessert. We celebrated Spiro's birthday. We visited Stonehaven Farms where we went on a hay ride and picked out pumpkins. We had a lot of spooky fun at our Halloween Party, everyone dressed up and we played spooky fun games.

L.I.F.T – iProgram

By: Reinard Vilorio, student

On Friday, October 21st, LIFT – Loyola International Friendship Team – hosted its first meeting in the library. Newcomers, either from a different school or a different country, spent their morning getting to know one another and learning that being new really isn't that bad!

The meeting started off with some games and activities, after which everyone was more comfortable with one another. After the fun activities, we watched a video that showed us other newcomers who explained their experiences – both good and bad. The students in the video explained how they got through their first few months in a new school and new country.

Once the video was over, the principal – Mr. Giancola, and the vice-principal – Ms. Antonutti, came to say hello and welcome us to the school. Mrs. Zagar, Mrs. Barnet, and Mrs. Bishop from Guidance came to offer their support as well.

To end off our morning, we shared a pizza lunch and took a group photo to celebrate our first LIFT meeting.

LIFT is a student-run program, with the support of the ESL teachers. LIFT aims to make newcomers feel more comfortable as they adjust to their new lives in Canada. Many exciting and fun activities are coming up this school year.

Quoi de Neuf? News from the Moderns Department

Movie French Immersion

On October 13th, about 100 students from our Extended French and Core French programs in grades 10, 11 & 12 went to the Queensway movie theatre to watch an authentic French comedy movie entitled French Immersion. Students enjoyed the movie and their lunch time at the Sherway Gardens.

University of Ottawa Video Contest: "Are you Ontario's top French Class 2011?"

Our Grade 12 students participated in a video contest in the intent of winning a scholarship for the University of Ottawa. Even though it was time consuming, they really enjoyed the experience. We are waiting to get the final results of the contest. *Bonne chance!*

Second City Workshops

On November 17th, our Grade 9 Core French students will have a chance to practice their French oral skills by attending a drama workshop at Second City downtown Toronto. They will also enjoy lunch with their friends at the *Old Spaghetti Factory*.

Quebec City Carnival Trip 2012

This coming February, the Moderns department is organizing a three day trip to Quebec City Carnival. Some of the featured activities will include; dog sledding, snow tubing, skiing/snowboarding, visiting the Carnival site and an evening dinner at an authentic Sugar Shack. More details to come.

Spanish Class trip to the Lula Lounge

On November 24th, Mrs. Solorzano's Spanish class is going to the Lula Lounge downtown Toronto. They will have the opportunity to practice their Spanish skills as they will be enjoying an authentic Spanish lunch. Every other Friday the students have

been learning vocabulary in class while cooking simple traditional Spanish dishes such as Quesadillas & Tostones (fried plantain). They will also participate in a 1 hour Salsa dancing lesson.

Loyola's Latino Dance club

The Latino club has returned to our variety of extracurricular activities that began on Friday, October 21st at 2:15 p.m. in room 205. Students are learning different dances like Salsa, Meringue & Bachata. Everyone is welcome!

Europe Trip 2012

This coming March break a Europe trip to London, Paris and Barcelona has been organized. The group will leave on Thursday March 8th and will come back on Saturday March 17th. This adventure promises to be very enriching for our students in many subject areas such as

languages (French & Spanish), architecture, history, geography and religion. More details to come.
