

Council Wants You!

Hello Parents,

My name is Dana Robinson and I have taken on the role as Chair for the balance of the year for your school Council. I have been in this position before and have spent a few other years on Council and I am happy to be back. I am looking forward to my first meeting and getting to know everyone again.

Guardian Angels is quite a Dynamic school. We are unique in some of our programs such as the Steel Pan Band and Harmony Group. Some of our students are among some of the rare who have had the amazing opportunity to attend the annual *Me to We* conference. We bring awareness to the community on such topics as bullying, diversity, homelessness and environmental causes i.e.: our water bottle campaign. Complimenting our students means we have great parents too. Our kids are molded by their families first, so having a good foundation is important. I am proud to say I am a part of this community and this forever changing and growing school.

I would very much like to invite and welcome anyone to our next meeting on February 9th at 7:00pm. Come see what we are all about. We are looking for fresh ideas and new people to add to our already dynamic group of parents. Our meetings are informal and open. We can also provide child care if we know in advance. That being said, I look forward to seeing some of you at our next meeting and finishing our school year with **new** and **fresh** ideas.

Sincerely,
Dana Robinson
School Council Chair
