September 2011

Dear Parents/Guardians:

On a daily basis our teachers are inundated with notes from parents giving students permission to leave school property at lunch time to either go home for lunch, to go a friend's house to go to the plaza to purchase their lunch. This makes it extremely difficult to keep track of who is at school and who is not. Also, it is very time consuming for teachers.

These requests received once in a while are fine, but on an on-going and almost daily basis makes it difficult to manage.

If your children are bused to school they should remain at the school for the duration of the school day, and should not leave school property.

Students that remain at school are supervised by their teachers. Those that leave school property are not, and are on their own.

Once students leave school property the school is not responsible for their behaviour, actions or well being.

Having said all of the above, could you please complete the attached form filling out either SECTION A or SECTION B, and have your son/daughter return it to his/her teacher by Friday, September 16, 2011. These forms will be kept on file for the duration of the 2011- 2012 school year.

Students that for some reason or other, once in a while have to leave the school building during school hours must have a note dated and signed by their parents/guardians. **VERBAL PERMISSION IS NEVER ACCEPTABLE.**

Thank you for your continued support and understanding.

Sincerely

Paul D'Agostino
