CLASSROOM EXPECTATIONS / ROUTINES

This is an Instrumental Music course that will give the students opportunities to achieve advanced Musical skills in the areas of performance on their instrument, understanding of Music theory and harmony, and further understanding of Music History (Classical Era). It is expected that students enrolled in this course will participate, fully, in the Goetz Concert Band. Home practice is required to be successful in this course.

Students are required to complete a previous level of Music instruction before taking this course. It is strongly recommended that students complete AMI 201 before attempting this course.
