

**Grade 9 Course Selection**

**2012 - 2013**

## **OUR MISSION**

St. Martin Secondary School is a Catholic learning community. Our mission is to bring greater glory to God by providing quality learning experiences in the classroom and in our co-curricular activities. Jesus Christ is present in our school and He lives in the celebration of the Word, the Eucharist and in each member of our community. Knowledge, Goodness and Discipline are the three cornerstones of our school motto. We endeavour to provide all students with the academic programs and support suitable to their needs and career paths.

## **SCHOOL YEAR ORGANIZATION**

All courses are organized on a semester system. The school year is divided into two equal parts. The first semester is from September to January and the second is from February to June.
