University Bound Admission Requirements:

Students must have a minimum of six (6) grade 12 U or M courses.

Each university has its own policy for program pre-requisites. It is very important to check with the individual universities to make sure that proper pre-requisites are being taken. An excellent site to link to all of the

Ontario universities is www.ouac.on.ca .

NB. Grade point averages determine your admission to a particular school and program. Full Disclosure means that schools see all grades (passed, attempted or failed), from grades 11 and 12.

Final note: Toronto and Queen’s require MCV4U1 for Commerce.
