It is very important to check with the individual colleges to make sure that proper pre-requisites are being taken. An excellent site to link to all of the Ontario colleges is www.ontariocolleges.ca .

NB. As part of the admission process the Colleges could include the following: grade point average (top 6 marks from grades 11 and 12), interview, audition, work-related experience (co-op), tests in English and Math, questionnaires, resume, CPR/First Aid Certification, Portfolio. Computer and Keyboarding Skills are highly recommended.
