A Catholic school graduation must focus on the Catholicity of the school. The liturgy and graduation exercises shall be planned around the distinct nature of our Catholic school system.

Emphasis should be on the local community and its members. The true VIP's at this special event are the students, parents/guardians, trustees, school and Board staff. Other community representatives should be acknowledged by name, and some may be invited to present awards - but only staff, students, school council chairperson, parish priest, trustees and Board staff are allowed to address the graduation.
