

Scent Free Alternatives

There are many scent-free, fragrance-free, or unscented alternatives available. All of the major grocery chains and drug stores carry an assortment of these products at comparable prices to the scented versions. Often, your favourite product will come in a scent-free version as well.

Look in your favourite grocery or drug store for:

- Unscented deodorant
- Unscented hairspray, hair gel
- Unscented hand lotion
- Unscented face cream
- Unscented shaving cream
- Unscented body lotion
- Unscented feminine products
- Unscented baby wipes
- Unscented fabric softener drier sheets
- Unscented hand soap, bath soap
- Unscented sunscreen
- Shampoos and conditioners without added scents

Some of the Specialty stores that carry scent-free products include:
