Father Paul's Lenten Message

Lent, a season of the Church lasting forty days and forty nights helps us to identify with Jesus who spend forty days of fasting and prayer in the wilderness before beginning his public ministry at the age of thirty. We too prepare for the most important feast of the Church, Easter, by prayer, fasting (giving up food) and being generous towards others. If you were going to a great party, you wouldn't have a full meal beforehand as you would leave no room for the feast awaiting you. So also with Easter: we prepare for it in our souls by prayer and in our bodies by fasting so that we can experience the "full flavor" of Easter, the feast of Jesus' resurrection. This Lent, I

invite you to the many events of the parish, most especially the Way of the Cross for the children on Friday March 30th at 6:30pm at the church. Whatever you to do or give up this Lent, do it with joy.

God bless you in the days ahead.
