Keeping Publicly Funded Catholic Education in Ont.

From the Canadian Charter of rights and freedoms, which begins with the words: "Whereas Canada is founded upon principles that recognize the supremacy of God and the rule of law". "This phrase underlines the importance of religious traditions to Canadian society and the dignity and worth of the human person". It is our role as good Christian catholic parents to make sure that our children continue to enjoy the benefits of our outstanding catholic education. We shall not accept to give it away, as it happened to other less fortunate provinces of our magnificent country.

"Children need a culture and environment that allows them, in all the noise of the contemporary world, to hear the whisper of the Spirit, the gentle urging of Jesus, the call of God. This finally is why Catholic Schools are distinctive, and why they are schools to believe in. What these schools offer to our children is a gift not only to our Church, but to our society as well."
