Feres-Allen	<p>Today, we recognize both Orange Shirt Day and Truth and Reconciliation Day. We wear orange shirts in memory of Phyllis Webstad's story, who had her new orange shirt taken away on her first day at a residential school. This act symbolizes the loss experienced by Indigenous children and the wider impacts of residential schools. Let's come together to support truth, healing, and reconciliation with Indigenous communities.</p> <p>#EveryChildMatters</p>
