Brown	<p>Ascension! Welcome to our Black History Month celebrations for the month of February. This is a month of reflection, education, and celebration. As February unfolds, we embark on a journey of remembrance and appreciation for Black History Month. This month is not only an opportunity to explore the rich fabric of African history but also a time to recognize the invaluable contributions, resilience, and achievements of Black individuals throughout history.</p> <p>Black History Month is more than a mere acknowledgment of the past; it is a celebration of the present and an investment in the future. It is a time to honour trailblazers, visionaries, and everyday heroes who have shaped the world we live in today. This is a chance to bring alive stories often overlooked, to share narratives that inspire and uplift, and to strengthen voices that have historically been silenced.</p> <p>This year's theme is "Rise Up". So, throughout the month, we will explore the stories of leaders who paved the way, unsung heroes who made significant contributions, and the ongoing journey towards a more equitable and inclusive society. Let us come together as a community to learn, appreciate, and celebrate the enduring legacy of Black history.</p> <p>So, students please listen out for the daily announcements and participate in the activities throughout the month. Thank you and have a good day.</p>
