Vu	<p>Yesterday, our Senior Badminton team competed in the Senior Badminton ROPSSAA Qualifying tournament. Each member of our team competed with the highest Ascension spirit, but unfortunately, we were not able to place top 2 to advance. Our Mixed Doubles team of Jagroop Khokhar and Piriavan T. lost a tough hard fought match for second place after Jagroop suffered a shoulder cramp. Definitely a tough lost, but a third place finish is something to be proud of. Honourable mentions goes out to our Girls Double team of Tenzin Zompa and Lia Tejam for a fifth place finish and to our Girls Singles player of Jayla Dixon for also a fifth place finish. The coaches want to thank all those Senior Badminton players for their dedication all season long. Great effort overall team! Hope to see you again next year!</p>
