A Window To The world

Significance of the Bar & Bat Mitzvah

The Bar & Bat Mitzvah is the moment in the Jewish life cycle that most deeply defines who Jews are as a people. The Bat & Bar Mitzvah ceremony celebrates the link in an unbroken chain of thousands of years of Jewish tradition. The words Bar & Bat Mitzvah literally mean "Son & Daughter of the Mitzvah." In addition to meaning "commandment" the word Mitzvah also means "connection." When a child reaches to the age of Bat & Bar Mitzvah, she/he assumes a greater maturity in her/his connection to Torah and Mitzvot, to her/his own Jewish identity, to the Jewish people as a whole, and to G-d.
