

Grade 10 Education Plan for 2024

A Spirit to Know You

- ▶ *Gracious and Holy Father,
Please give me:
Intellect to understand You,
Reason to discern You,
Diligence to seek You,
Wisdom to find You,
A spirit to know You,
A heart to meditate upon You,
Ears to hear You,
Eyes to see You,
A tongue to proclaim You,
A way of life pleasing to You,
Patience to wait for You,
And perseverance to look for You.
Grant me a perfect end,
Your holy presence,
A blessed resurrection
And life everlasting.*

St. Kateri Tekakwitha, Lily of the Mohawks, pray for us.

Land Acknowledgement

LAND ACKNOWLEDGEMENT

We begin by acknowledging the land and our responsibility to care for and respect all that Creation gives to provide us with life. This land upon which we live, work and sustain ourselves is the ancestral and treaty lands of the Michizaagiig Anishinaabek also known today as the Mississaugas of the Credit, the rightful caretakers and titleholders of this land. We also recognize that this land is rich in pre-contact history and relationships, which includes the Anishinaabek and Onkwehonwe and since European contact has and continues to become home for Indigenous and non-Indigenous peoples.

As a responsible community we believe all people are sacred and possess inherent and immeasurable worth and dignity. Colonialism displaced and dispossessed Indigenous Peoples of their ancestral lands and continues to deny their basic human rights, dignities and freedoms. We are committed to the sacrament of reconciliation, making reparations and fulfilling our treaty obligations, duties and responsibilities as outlined in the Gdoo-naaganinaa (Dish with One Spoon) wampum. This treaty governs and affirms that we actively maintain mutually beneficial relationships and collectively respect and care for the land, water, animals and each other in order to guarantee a good life for our future descendants.

Online Learning

- Students must earn two (2) e-Learning credits to graduate from secondary school
- Courses are asynchronous (no live teaching)
- Can Opt Out
- On MyBlueprint
- All Grade 11 and 12 students are E-learning eligible

The image shows a document titled "Opt-Out Form for eLearning Graduation Requirements" from the Dufferin-Peel Catholic District School Board. The form is addressed to parents/guardians and explains that the Ministry of Education, through OESA, has mandated that students must earn two e-learning credits to graduate from secondary school. It states that e-learning courses are Grades 9 to 12 credit courses that are delivered entirely using the internet and do not require students to be physically present with one another or with their instructor, except where they may be needed for examinations and other final evaluations and other school based supports (PPS# 367). The form asks parents/guardians to choose to opt their child out of the mandatory e-learning courses required for graduation. It includes a section for parents/guardians of students under 18 years of age, where they can confirm that they have read the form and agree to the terms. There is also a section for students who are at least 18 years of age, where they can confirm that they have read the form and agree to the terms. The form includes fields for the student's name, the parent/guardian's signature, and the date.

SHSM – Business and Introducing Information & Communications Technology (ICT) for Sept. 2024

New

- Grade 11 and 12 students will focus their learning on the Business & Information and Communications Technology sectors while meeting the requirements to graduate from secondary school.

- Get access to an extensive and diversified network of local, national and global industry partners offering rich experiential learning opportunities, reach-aheads, conferences, simulations, competitions and scholarships.
