

# **COURSE SELECTION REMINDERS**

## **GOING INTO GRADE 10**

- Choose 8 courses in your high school planner
- Select History CHC2D or CHC2P- this is compulsory
- Select Civics and Careers CIVCAR-this is compulsory
- If you plan on taking a course in Summer School, leave that course off your selection and choose another elective in its place

## **GOING INTO GRADE 11**

- Choose 8 Courses in your high school planner
- Choose English, Religion & Math – these are compulsory
- Choose the English that matches your religion; ENG3U matches with HRT3MU, ENG3C matches with HRT3MC
- If you plan on taking a course in Summer School, leave that course off your selection and choose another elective in its place
- Ensure you have selected the prerequisites for courses you may want to take in grade 12. For example if you want grade 12 Physics, you must take grade 11 Physics

## **GOING INTO GRADE 12**

- Choose 8 Courses in your high school planner
- Choose English; Note- Writer's Craft EWC4U does not count as your English Credit for grade 12; it is an elective
- Choose Religion HRE4M or Philosophy HZT4U to meet the Religion requirement
- Choose the English that matches your religion; ENG4U matches with HRE4MU, ENG4C matches with HRE4MC
- If you plan on apply to a University degree program, you will need to have 6 grade 12 U or M level courses in your course planner
- You can only take one grade 12 IDC4U course. (One of IDC4UA, IDC4UB or IDC4UM)
- Make sure you have 30 credits in your planner for graduation
- If you plan on taking a course in Summer School, leave that course off your selection and choose another elective in its place
