

Dear Parents/Guardians,

As part of the Kindergarten registration process, we recognize that some families would prefer to enrol their child(ren) in schools that are not their neighbourhood school (home school). Parents who are interested in seeking Flex Boundary admission for Kindergarten children at a school of their choice should register at their home school first. Following registration at their home school, parents seeking flex boundary admission must contact the school of their preference (host school) and identify their request for Flex Boundary admission. The host school will provide parents with a *Request for Flexible Boundary to a School other than the Home School* Form (GF076). The host school will submit all Flex Boundary requests to the board-wide review committee in the order they are received.

A central board-level committee reviews all Kindergarten Flex Boundary admission requests. The committee considers in-boundary registrations, projected enrollment and available space in each school to determine if the site can accommodate Flex Boundary requests, and then identifies how many students can be admitted on Flex Boundary admissions. The central review committee considers students on the Flex Boundary list who have siblings already in attendance at the school of choice for priority consideration. Once the central committee determines which, if any, students may be admitted via Flex Boundary admissions, the host school is advised to contact parents and begin registration. The central review committee convenes on pre-determined dates and families are notified as decision are made.

NEW REGISTRATIONS: KINDERGARTEN

Flex Boundary requests will be reviewed as follows:

Final date to enter Flex Boundary requests by the school:	Central committee to inform school of status of requests approved/declined:	School to communicate with parents status of requests approved/declined:
March 2023	May 2023	Within the week
June 2023	June 2023	Within the week
September 2023	September 2023	Within the week

The review committee will convene and inform schools of any additional admissions prior to the reorganization day in September.

PREVIOUSLY REGISTERED STUDENTS: KINDERGARTEN (ENTERING YEAR 2/SK)

Children entering Year 2/SK (2023/2024) are not required to re-register at their home school. These students may remain enrolled in the host school and continue attending under the Flexible Boundary admission policy.
