PRAYER - We Celebrate God’s Forgiveness

Reader:

During Lent, we contemplate and celebrate the great gifts of God’s forgiveness. Whatever our sins, our faults and failings, God offers us forgiveness.

All Together:

While we believe in God’s forgiveness, we also acknowledge our need to change and grow, especially in our role as parents and educators to become more like Jesus in our thinking, our decisions and our actions.

And so let us acknowledge the presence of Christ and celebrate God’s forgiveness, but let us also resolve anew to change and grow, in a word, to put on Christ.

God, our God, you are always forgiving. You love us beyond our comprehension, and in so loving you call us forward, out of our familiar patterns, into new life in Jesus Christ, your son.

Help us to believe in you, to follow you, and to proclaim your teaching faithfully.

Have mercy on us, forgiving God, this Lent and always. Amen
