

Summer Student Opportunities!

Summer Student programs at **Allegion Canada** help us connect with some of the best and the brightest on their way to impacting our industry in big ways. Steady participation in our summer programs will help us curate direct pipelines to high performers as they prepare to enter the workforce in the future.

We are gearing up to welcome our new batch of Summer students for 2022 and you can help us get the word out. Please see below for the **Summer opportunities available** and how you can help:

3 x Operations Interns

Students will get the opportunity to learn about critical functions of our operations team on a daily basis. Gain hands on exposure to our product line & systems in a highly collaborative team environment.

Through this opportunity you will get to:

- Help with warehouse functions such as receiving, order picking, packing, and shipping.
- Pick via RF scanners with orders from rack pick slots
- Assist with inventory counting and general housekeeping within the warehouse
- Pack orders on conveyor belts
- Use wrap machine and labeling of packed/wrapped orders
