

BOOK CLUB: CELEBRATING DIVERSE STORIES

This in-person series will provide a variety of literature that will engage students, spark curiosity, inspire life-long learners and validate personal stories and experiences. Each session will include a book reading, discussion and a story studio experience to follow. Students will engage in thought provoking discussions and then creating a response using various creative materials to display their story and connections.

The Book Club is open to students and their families currently enrolled in Grades 3-6
