INVITATION TO ATTEND PUBLIC OPEN HOUSE MEETING #2
EAST CREDIT MISSISSAUGA PUPIL ACCOMMODATION REVIEW

To Parents and Guardians:

At its November 24 meeting, the Dufferin-Peel Catholic District School Board of Trustees approved the commencement of a Pupil Accommodation Review in the East Credit Service area of Mississauga. Your child’s school is one of the eight elementary schools involved in this review. The inclusion of your child’s school in the accommodation review process does not necessarily mean that it will close.

The East Credit Accommodation Review Committee (ARC) has been meeting on a regular basis to review information presented in the Initial Staff Report to the Board, comments and information collected from Public Open House #1, correspondence received from the community, and all other information requested and presented at the ARC working group meetings. Minutes from ARC working group meetings along with all other information related to the East Credit Pupil Accommodation Review are posted on the board website at www.dpcdsb.org.

The East Credit ARC has identified a number of key considerations in addition to the rationale identified by Board staff, related to school closures. Your input regarding these considerations is important to help board staff prioritize what is important to the broader community. East Credit ARC preferred options as well as staff options presented at Public Open House Meeting #1 on January 20 will be on display at Public Open House Meeting #2 on March 30. In addition, a survey will be conducted to determine the importance of these criteria and program considerations to East Credit. Meeting details are as follows:
