

**CHILD CARE PROGRAMS**

Various child care services are available at many Dufferin-Peel Catholic District School Board schools. All programs are licensed by the provincial government and operated by third party child care providers. Admission policies for child care programs and the Board's schools are separate. Admittance to one does not automatically assure admittance to the other.

**School-Age Child Care Programs  
(Before and After School Child Care)**

The optional Extended Day Program for 4 and 5 year olds operates in accordance with the Education Act requirements. Where insufficient registrations are received to implement a separate Extended Day program, a limited number of 4 and 5 year olds may be accommodated in the 6 to 12 year-old Child Care Program operating at that school. Should interest increase, the situation may be reviewed at such time.

Before and After School Child Care Programs will operate on school days from **7:30 a.m. to school start and school end to 6:00 p.m.** Participation is optional and subject to daily and Professional Activity Day fees. Publicly funded fee subsidies may be available for families who qualify for financial assistance. **Please contact child care operators directly at the phone numbers indicated on the chart below for information regarding all aspects of these programs, including: fees, hours of operation, availability of space and fee subsidies. Additional information is also available on the Board's website: [www.dpcdsb.org](http://www.dpcdsb.org).**
