Please provide a brief summary of the subject of the delegation.

I wish to speak to the reasons why St. Gertrude should not be closed. I would like to acknowledge the great work by the ARC committee and Planning Staff to arrive at the Interim Staff Report. I would also like to point out that the Initial Staff Report and the recommendations from that report were a bit premature and was lacking details and clarity. Staff were placed in a corner to provide options and had to come up with a preferred option at that time. Since then, the ARC committee has really fleshed out critical needs and prioritized them and should be working towards a recommendation that is defensible. The Interim Staff Report will be coming out next week, so I cannot comment on it quite yet, but hope that it will be consistent with the findings and suggestions from the ARC committee.
