Message to DPCDSB Families from the Director of Education

March 7, 2025

Dear Parents and Guardians,

As we approach March Break, I want to take a moment to wish you and your families a restful and peaceful week. March Break is a wonderful opportunity for students to step back from their school activities, recharge, and enjoy quality time with their loved ones.

I would also like to remind you that DPCDSB teachers have been directed not to issue any new assignments during the break, and no tests are to be scheduled on the first day back. While students may choose to work on previous assignments if they wish, we are emphasizing this break as a positive measure for their well-being.

May God's richest blessings be with all of our families during this time of rest and togetherness.

Sincerely,

Dr. Marianne Mazzorato, Ed.D.
Director of Education
