Our YFA are preparing their advent food drive while continuing to collect Halloween Candy for Dr. Simone and milk bags to weave sleeping mats. Volleyball tournaments continue and our students are standing up against bullying in our School spirit week this week.

Every year, during the month of November, Christ the King's School Community has the unique opportunity to deepen their knowledge of and appreciation for our veterans as Brian Masson, retired and former teacher of CTK, displays his personal collection of artifacts from World War I and II. As well, our grade 5 class organized a moving Remembrance Day assembly to help our students pay their respects to our fallen soldiers. The month of November has been another positive one here at St. Augustine. Our Remembrance Day Assemblies were very well received and respected by both staff and students, including a guest presentation by a current member of the Canadian Armed Forces who shared his experiences serving in Afghanistan. Our Senior Girls Basketball Team had a great season, despite losing to Heart Lake in the semi-final. Anti-Bullying Week activities, both school-wide and classroom based, took place November 19 to 23. These included specific messaging each day focused on support for gender equity, mental health, abuse, addiction and the LGBTQ community, while promoting our need to continue to strive to welcome and understand one another (Romans 15:7). Finally, during our Grade 8 visits and community open house events, students from our Catholic elementary schools enjoyed tours and some St. Augustine gifts, while over 190 registration packages have already been given out to non-Catholic school students. One of the highlights of our Grade 8 feeder school visits was the healthy and delicious lunch prepared and served by our Hospitality students for over 200 guests. We are very proud of the staff and student leadership and teamwork here at St. Augustine S.S.

St. Joseph (Brampton)

St. Joseph School celebrated busy liturgical months in October and November with the celebration of our school Virtue assemblies, the ongoing monthly visits of the Rosary Apostolate and with the continuation of our school outreach program helping those less fortunate in our community. The Virtue for November is Conscience and with that in mind, we began the month with prayers as well as class liturgical prayers around All Saints' Day and All Souls' Day. Students, staff and community were invited to add remembrances to our St. Joseph School Remembrance Book which is proudly displayed in our front foyer near the statue of St. Joseph. Daily prayers included students reading their Remembrance prayers. Our community came together on November 9 to commemorate Remembrance Day. This on-line Math tool will allow Math development and is a great communication tool for

parents and teachers. Our Grade 3 students are just finishing up their Swim to Survive program and the Grade 7s will do a follow up Swim to Survive early in 2019. Through a grant from the YMCA, we are introducing the "Snack Grab and Go" to let children eat snack foods high in vitamins and low in sugar! Plans are underway for the St. Kevin Advent Concert and Celebration to be held December 18 and 19.

Our Lady of Peace

At Our Lady of Peace, we started November after a fun filled Halloween Dance-a-thon and pumpkin carving contest. Our Grade 8s were visited by Guidance Counsellors from St. Augustine S.S. The next week, our students travelled to St. Augustine to visit classrooms and to get a taste of what it will be like when they go to Grade 9. On November 9, we held a school-wide Remembrance Day Assembly. Our intermediate students built the sets and rehearsed their various roles. All students walked through a WWI Trench to enter the gym. They could hear the sirens and see the anguish of war. They viewed the rail car where the Treaty of Versailles was signed. A huge cross was built to represent all who have sacrificed their lives for the freedoms we enjoy today. Our Grade 1 and 2 students were part of the Region of Peel Waste Management presentations. Our bus patrollers attended a workshop at Peel Safety Village. Our Grade 5 student leaders had a full morning of training with Recess Guardians. Recently, students from St. Augustine S.S. came over to work with our Photography Club as part of our work on strengthening transitions between Elementary and Secondary schools. In addition, our Grade 8 students had the opportunity to spend the day at St. Augustine to experience secondary school life. Furthermore, a core group of our junior students received Recess Guardian Training and have begun to facilitate games and activities during recess time. Finally, our Youth Faith Ambassadors are currently leading our 'Cram a Cruiser' food drive and our Catholic School Advisory Council is in the process of planning for our annual Christmas Marketplace.

St. Brigid

Our Intermediate Boys Volleyball Team won their mini-tournament and our Intermediate Girls Team came in second place. Both teams are advancing to the Family Championships. We had a beautiful Remembrance Day Liturgy. Students honoured the sacrifices of our veterans and spread the message of Peace. This week we had a wonderful student lead assembly on the virtue of conscience. We are learning to listen to our conscience and follow Jesus' example of how to live as we move toward Advent.

November was another busy month. Our Gators celebrated a reflective Remembrance Day liturgy, we welcomed Sandrina - Peel regional health nurse to our Catholic School Council focusing on Healthy Habits, we welcomed back our Rosary Apostolate and our students participated in Diabetes Awareness Day through showing their support by wearing blue. It promises to be a heartwarming evening and a great preparation for the Advent season.

St. Francis Xavier Secondary School

Over the past month the St. Francis Xavier S.S. Athletics Program has experienced some unprecedented success and recognition. The school's Cross Country Team finished their season on a very strong note, with a team of Grade 9 boys finishing 4th in the Province. The Varsity Girls Basketball Team finished their season with a respectable 21-10 season record, along with five tournament bronze medals. Also, in the first years of the program, Xavier's

Girls Flag Football Team lost a closely-contested quarter-final by the score of 7-6, to the leagues eventual champions, RF Hall Wolfpack. In recent weeks, the school's Boys Basketball program has been very successful picking up where they left off from last season, when the Senior team finished 2nd in the Province. Already this year, the Senior team has won gold at the Humber Hawks tournament and both the Junior and Senior teams have won their respective divisions at the Mike Sullivan Memorial tournament in St. Catharine's, ON. This is the Junior team's fourth straight gold medal in this tournament. As a result of some recent successes, Xavier's Senior Boys team is currently ranked 20th nationally, being one of only two mainstream, publically-funded schools in the National Top 25 Ranking.

In addition to all the good things happening in athletics, the student body at the school has also been very busy supporting the other components of a healthy school environment. The school's Student Council organized a very successful and enjoyable Spirit Week and Pep Rally, where the celebration and appreciation of contributions to the school culture ranged from school clubs and teams to an acknowledgement of the hard work and commitment of our school's support staff. Under the direction of the schools Canada and World Studies Department and Chaplaincy Team, staff and students orchestrated four reverent and respectful Remembrance Day services, each featuring numerous Xavier students in their role as Cadets participating in the wreath laying ceremony.

St. Hilary

At St. Hilary School, we have just completed our progress report reporting and have sat as staff to plan our focus for the year in mathematics. We have been fortunate to have STEM learning sessions with our primary students and had them involved in coding. November 18 to 22 is anti-bullying month and we have made our focus the fact that we are people of conscience and that we do the right thing even though it might not be the popular thing to do. We should never be bystanders but stand up for each other. Our staff and Catholic School Council have met to plan our Advent season and activities that support the school and our community. We are planning on celebrating the Christmas Season with our Christmas Concert and our giving Elves that will be delivering positive messages to our staff and students. We have also made plans to support the St. Vincent de Paul through the collection of gift cards and the support of families in need within our school community.

San Lorenzo Ruiz

November began with the observance of All Saints and All Souls Days, during which we remember those models of faithful living who have gone ahead of us. In class liturgies, staff liturgies and morning observances, staff and students are encouraged to remember loved ones who have passed away and to appreciate the saints as models of virtuous living. In that Spirit, we gathered for our Remembrance Day assembly on November 9, the 100th Anniversary of the end of the Great War. At San Lorenzo, we are blessed to have faculty who keep this tradition alive by offering their gifts and talents in a multi-media, student-led assembly which had a great emotional impact. On November 20, our school received 92 Edwin Chromebooks for deployment to all Grade 7 students. This is an incredibly exciting project that allows for greater access to technology and online content for the benefit of all students. We are grateful to the Program Department for allowing us to be part of this exciting initiative.

St. Veronica

Our YFA and choir lead our community in a moving Remembrance Day Ceremony to mark the 100th Anniversary of the end of WW1. During Bullying Awareness and Prevention Week, our YFAs prepared a variety of announcements and promoted a variety of activities to support acceptance and inclusivity. Our Dance Team is already busy practicing for the annual Dance Event later this year. Our Catholic School Council presented a STEM parent engagement evening where students, staff and parents participated in a Mad Science presentation which included a variety of hands on activities. It was a wonderful evening of learning and fun!

St. Jude

November 19 through November 23, St. Jude students and staff recognized and highlighted Bullying Awareness and Prevention Week through a number of activities:

Respectful Monday – Put Bullying to Bed. Wear your favorite PJs.

Supportive Tuesday – Being a Friend is no Sweat. Wear a favorite sweatshirt and/or sweatpants.

Encouragement Wednesday – Boot out Negativity. Wear boots and cowboy hats or any type of hat (e.g., Santa hat, sports hat, winter hat).

Caring Thursday – Everyone Counts Day. Wear a shirt or jersey with a number on it.

Friendship Friday – Band together against Bullying. Wear a band t-shirt or your whole class can band together and wear one colour.

This month Officer Bear visited our intermediate classes and emphasized how important it is to treat one another with respect. Our Rosary Apostolate team, during their Wednesday visit, shared and discussed gospel values with our students. Some of our primary students became superheroes, sharing with others through their writing what they would do to stomp out bullying. Grade 8 students shared positive messaging daily during morning announcements and our school-wide empowering WITS (walk away, ignore, talk it out, seek adult help) strategy was modelled and discussed in our classrooms. The week ended with kindergarten and junior reading and game buddies modeling what it means to be 'good to one another' through hosting a shared board game event in our atrium. Our messaging at St. Jude is, 'Get involved and take a stand! Bullying is not acceptable at St. Jude School! Let's stomp out bullying for good.'

3. Comments from Departing Trustees: A. Abbruscato and E. O'Toole

a. Trustee A. Abbruscato

Trustee A. Abbruscato addressed the board:

Thank you.

To paraphrase one of my favourite authors Charles Dickens, my 24 years as a member of this Board have been “the best of times, and the worst of times”.

When I was first elected to this position in 1991, we were an English Board and a French Board with a total of 22 members.

It was the best of times because we were in a growth position and we were opening schools and programs as fast as we could keep up. It was not uncommon for our elementary schools to have over 800 students. We were hiring teachers with teaching permits from other provinces and countries and we received permission from the ministry to hire teachers who promised to get their teaching permits over the summer.

Our motto was Come Grow With Us and grow we did.

It was the worst of times because we faced challenges from the government, such as underfunding, unequal tax allotments, Ministers who promised to create a crises in Education, and the always present threat of losing Catholic Education.

However, although we have faced numerous challenges we are still a strong and vibrant system and I know that it will continue to thrive because of the commitment that you all have to Catholic Education.

I have had the pleasure of sitting on all Board committees and chairing many of them, and of having served as Vice Chair and Chair of the Board.

I have had the privilege of representing the electors of Ward 4 and the students of Dufferin-Peel for 24 years and I will be taking many pleasurable memories of events and of people that I have met along my journey.

Thank you for all the work that you will continue to do on behalf of the students, staff and ratepayers of this amazing Board.

In the words of Novelist Frank Deford,

“Thank you for listening.

Thank you for abiding me.

And now ladies and gentlemen I bid you good bye and take my leave.”

b. Trustee E. O'Toole

Dear Board Members, Director of Education, Superintendents and Staff of the Dufferin Peel Catholic District School Board.

The past 27 years I have been elected as a school trustee in Wards' 2, 4 and 9 & 10, it has been a great privilege to serve my community, to be an advocate for students and parents and sit at the board table with such fine people. I especially am grateful to the Trustees who have passed; Art Steffler, John Doran. Patrick Meany and recently this year Monsignor Terrance D'Souza.

My decision not to run for re-election was made with a heavy heart for over the 27 years I have experienced a great deal of knowledge, joy and increase in my own faith. I wish all the Board employees much gratitude for the work they do and I also wish the new Board of Trustees elected in 2018 well in the next four-year term. Please know I will miss all of you.

*My feelings are summed up in a prayer written by Thomas Merton who said, **Love is our true destiny. We do not find the meaning of life by ourselves alone - we find it with another.***

His Prayer says, My Lord God, I have no idea where I am going.

I do not see the road ahead of me. I cannot know for certain where it will end.

Nor do I really know myself, and the fact that I think I am following your will does not mean that I am actually doing so. But I believe that the desire to please you does in fact please you. And I hope I have that desire in all that I am doing.

I hope that I will never do anything apart from that desire.

And I know that if I do this you will lead me by the right road, though I may know nothing about it. Therefore will I trust you always though I may seem to be lost and in the shadow of death.

I will not fear, for you are ever with me and you will never leave me to face my perils alone.

I will Fully Rely On God (FROG)

With a Grateful Heart,
Trustee Esther O'Toole

4. Chair's Year End Address to the Board

Good evening. It is a Dufferin-Peel tradition that the chair provides year-end remarks to the Board of Trustees and I am pleased to briefly share a few words with you tonight.

Let me begin by saying to my trustee colleagues around this table that looking back over the past four years of our term, I can honestly say that we have achieved so very much during this time.

And I thank you with all my heart for your confidence in choosing me as your chair each of these four years. I hope I have served you well.

The fact of the matter is, that it takes teamwork to be successful and we have been a great team. We have had a tremendous relationship with the Director and the senior management team and that has been beneficial to our community and to our organization.

As a team, we have contributed to, and experienced significant levels of success and achievement – measureable through the likes of our EQAO scores, graduation rates compliant budgets, and other quantitative as well as qualitative variables.

I would make mention of a few of these successes, including:

- *Our 11th consecutive compliant budget, now in excess of \$1B;*
- *Enrolment that has again exceeded projections;*
- *Continued upward trending EQAO scores that consistently meet or exceed provincial standards as well as provincial averages in most assessment areas;*
- *Graduation rates that are among the highest in the province;*
- *Successful implementation, oversight and completion of our Multi-year Strategic Plan, and we have laid the groundwork for the new Board of Trustees to develop our new plan in 2019;*
- *The incredible number of charitable works, both for local and global causes, in which our students and staff are engaged in our schools and other board facilities. In fact, we are the top school board in the Archdiocese of Toronto in terms of fundraising for ShareLife;*
- *Our schools are 100% Eco certified;*
- *We have had a successful start to the current school year;*
- *and the list goes on and on.*

Each and every trustee around this table has worked so very hard on behalf of our communities, for the benefit of our students and our families. This commitment and dedication is in keeping with the trust bestowed upon us as stewards of Catholic education.

It is an awesome privilege.

We never tire of celebrating and spreading the good news of Catholic education, for Catholic Education is truly alive, well and flourishing in right here in Dufferin-Peel.

As our 2014-2018 term of office draws to an end, we look forward to our new term with anticipation, but also with a sense of sadness.

We say farewell, not goodbye, to our dear colleagues, Anna Abbruscato and Esther O'Toole. An incredible 51 years of experience....and exemplary service, between them.

I know we are attending a function tomorrow to say a more personal thank you and farewell but I wanted to take the opportunity tonight, as well, to say thank you both for your years of service to our community, to the DPCDSB, to Catholic education and on a personal level, for your friendship. We have shared so much over so many years. We have not always agreed on everything, but I have always held you both in high esteem and with the utmost respect.

I will miss you very much. May God continue to bless you in all that you do.

To my fellow trustees, I thank you again for your support and hard work on behalf of children and families. We, as a board, are in a good place.

We must continue to be ever vigilant in standing guard for Catholic education, for children and for families.

And we must remain firmly committed in our desire to promote and maintain our outstanding school system and we are unified in our belief that Extraordinary lives begin with a great Catholic education right here in Dufferin-Peel.

Thank you and may God Bless you all. Merry Christmas.
