

DPCDSB eResources

The board subscribes to a number of online resources providing access to articles, reports, and other information on a wide variety of subjects. These eResources can be accessed from your school's library catalogue.

How to Access eResources

- 1) Go to the board's webpage, www.dpcdsb.org
- 2) Choose one of these two options to find your school's website:
 - a. Click the School Directory Image and find your school.
 - b. Use the Connect to a School Site dropdowns to select your school.
- 3) Once on your school's site, click the "library" link at the top right of the screen.

- 4) Your school library's main search screen appears with a dropdown in the right column for eResources. Select an online resource from the dropdown or click on the "All eResources" link to see a list of the available resources with descriptions, then select the resource you would like to use.

5. eResource access from a DPCDSB location will not require a login as they are setup with “IP” authentication.

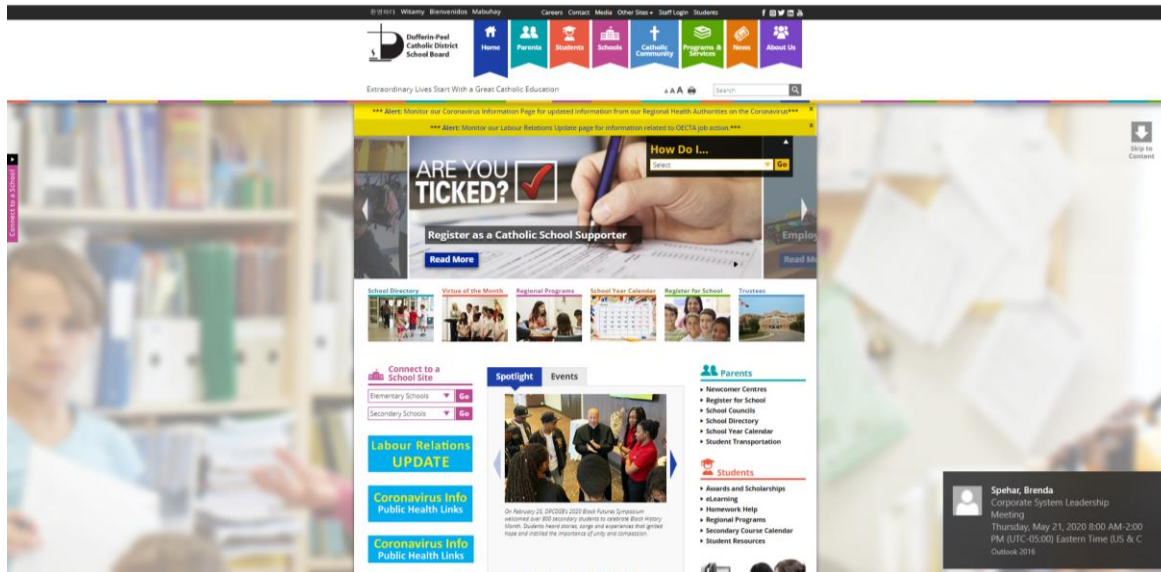

Remote Access to eResources

Remote access to eResources, like from your home, will require a user login, which are as follows:
