Meeting name & date: OLGV Delegation May 9, 2016   Subject: Access to Nature - Inquiry Based Learning

☐ I wish to speak ONLY on my own behalf.
☒ I wish to delegate as a spokesperson for: Our Lady of Good Voyage
☒ I am an employee of the Board and my subject cannot be dealt with under a Board Collective Agreement.

Please provide a brief summary of the subject of the delegation.

Our Lady of Good Voyage is able to provide students with a variety of natural resources. The school is surrounded by lush forest and vegetation which is an ideal environment for learning science through scientific inquiry. One of the recommendations developed by the Board in response to Implementing Learning in the 21st Century is to re-examine the design of learning environments and spaces by exploring alternative settings and including the outdoors. The forest area and River Grove Recreation Centre would allow for a multitude of learning environments. These spaces would allow educators to support inquiry based learning while promoting stewardship of nature and all the wonders which God created and provided for us.

The Board does not wish to prevent the expression of honest opinion, however, delegates should refrain from negative, critical or derogatory comments about identifiable persons.

Please read Dufferin-Peel Catholic District School Board By-law # 1-01, Article 6 (see reverse) pertaining to delegations prior to signing, and returning the registration form to the Board and Committee Information Officer. Meeting name & date: Special Board Meeting, May 9th Subject: Pupil Accommodation review

☐ I wish to speak ONLY on my own behalf.
☒ I wish to delegate as a spokesperson for: St. Joseph Parish, Streetsville.
☐ I am an employee of the Board and my subject cannot be dealt with under a Board Collective Agreement.

Please provide a brief summary of the subject of the delegation.

We wish to express our concern regarding the grandfathering clause, which will have a significant impact for a period of 8 years on our communities, will muddle established parish boundaries. It is particularly significant given that in one case the students affected are the immediate neighbours of the parish church yet would be moved to a receiving school under the pastoral care of another parish. In all cases this has the potential to affect how pastoral services are delivered and might significantly alter how Sacramental Preparation, for example, would be done. We believe the Board should take these elements in consideration when making a decision.

Please note that we are happy to make this a written submission and would forego speaking time.

The Board does not wish to prevent the expression of honest opinion, however, delegates should refrain from negative, critical or derogatory comments about identifiable persons.
