Dear Parent(s)/Guardian(s);

RE: REGISTRATION FOR 2020-2021 EXTENDED FRENCH PROGRAM

Any student who is eligible to attend a Dufferin-Peel Catholic school and who is presently a Grade 4 student is welcome to apply for the Extended French (EF) program for Grade 5 in September 2020.

The Extended French program starts in Grade 5 with 50% of the program taught in French at the elementary level. The subjects taught in French are *French Language, Social Studies, Science*, and **one** of the following subjects: *Visual Art, Music, Drama or Physical Education*. This program offers an excellent opportunity for becoming functionally bilingual in later years.

The Dufferin-Peel Catholic District School Board offers the Extended French program at 10 school sites (2 Dufferin / Caledon Sites, 2 Brampton Sites & 6 Mississauga Sites). Each of the Extended French Centres have specific feeder schools. Students must apply to the appropriate Extended French Centre, based on their home school location. A list of Extended French Centres and their feeder schools can be found on the reverse side of this memo.

Transportation is provided for eligible students in the program if they attend the Extended French Centre within their designated boundary. Both transportation and Extended French Centre locations are subject to board annual review and therefore subject to change. Boundary maps can be found on the DPCDSB website (<https://www.dpcdsb.org/programs-services/languages/extended-french>) under Program & Services – Languages – Extended French – Boundary Maps.

More detailed information will be available at **parent(s)/guardian(s) meetings** to be held at all Extended French locations on **Tuesday, January 14, 2020** (see attached list of site/session locations).

SUBMITTING AN APPLICATION

Applications will be available at all Extended French Centres and will be distributed at the Parent Information Sessions. Completed applications, containing all required documentation, will be accepted at the Extended French school office over a period of two weeks following the parent/guardian information session.

The application submission deadline is **3:00 p.m. on Friday, January 31, 2020**.

Parent(s)/guardian(s) will be expected to have a complete application package, which consists of:

1. Application Form – completed and signed
2. Extended French Student Information Sheet – completed and signed
3. Grade 4 Student Report (copy of Progress Report and/or Term 1 Report Card)

Please note: When applying for same-age/same-grade siblings, one application must be submitted for each child.

RANDOM SELECTION PROCESS

A random selection process will be held at a pre-determined and advertised date only if the number of applications received at the school exceeds the places available. In other cases, all applicants will be offered a spot in the Extended French Program. Parent(s)/guardian(s) are encouraged to attend the Information Meetings in your designated area or to contact the principal of the Extended French School for more details.

Sincerely,

Carmel Murphy
Superintendent of Program and Learning Services
