Greetings to the Goetz Community,

We made it through the first week of school! I can already feel the excitement in the building from both students and staff as we begin our new school year. We already have sports teams' tryouts and clubs starting and I encourage you to *Take a Risk. Get Involved. Be Committed.*

Remember that Goetz is committed to your success and that if you need any supports, to please connect with your teachers, guidance counsellors, administrators, or any caring adult in the school. A big part of being successful is being ready to learn which means coming to school prepared and in full uniform. We, as a school community, are committed to reinforcing the school uniform and attendance policies as we see this as an important aspect to our young people having a successful year and to communicating expectations of excellence and helping our students achieve them. Have a wonderful week!

A Message from Our Chaplaincy Leader...

Congratulations Gators! You made it through the first week of school. We give thanks to God for a successful and safe return to Father Michael Goetz and ask for His blessing and protection for the 2023-24 academic year.

This week we will gather as a community of faith for our Opening Year Masses at Cristo Rei Church, and what a blessing it is to have literally metres away from our front doors a place of worship, a second home. We will gather in gratitude for the many staff and students at Goetz and for their continued contributions to another successful school year. We also give thanks for Fr. Carlos, our Pastor, who will lead us in prayer and fellowship with our liturgies.

Let us continue to create and build upon a caring, compassionate, and inclusive school community where all who walk our halls can truly share who there are and celebrate their many gifts. Blessings on your week Gators.

Mr. Minardi
