Greetings to the Goetz Community,

It has been a busy second week of school with so many of our sports teams and clubs starting! We also had the wonderful opportunity to celebrate Mass as a school community last week at Cristo Rei Parish. Father Carlos reminds us through his homily to use our faith and conscience to guide our decision making and to help one another as a Goetz community to continue to foster a Culture of Love driven by kindness.

This week we celebrate National Coaches week, and I am sure you share the same appreciation for our coaches as I do for taking their personal time to enhance our students' school experiences and commitment to building well rounded individuals. Also this week, our Grade 9's begin their retreat program by listening to a motivational and engaging guest speaker during period 4. We hope that together we could encourage our students to participate in at least one of the many opportunities to get involved this week! Keep up the excitement and positivity...it's going to be a great year!

A Message from Our Chaplaincy Leader...

Hello Gators!

This week we will welcome Sam Demma, a youth motivational speaker and advocate, who will be addressing our grade 9 students, the class of 2027, during period 4 on Thursday September 21. This is part of our multi-faceted grade 9 retreat program which focuses on ensuring that our grade 9 students feel welcome and their transition to FMG is filled with many opportunities to connect with our student leadership and wider community.

We also launched our campus ministry program last week and look forward to serving our Goetz community throughout the school year. Everyone is welcome to join us and participate.

Let us continue to create and build upon a caring, compassionate, and inclusive school community where all who walk our halls can truly share who there are and celebrate their many gifts. Blessings on your week Gators.

Mr. Minardi
