Greetings to the Goetz Community, Congratulations on a successful semester behind us! Last Friday, we began our second semester of the school year, and we are excited for everything that this new term will bring. This week, we are excited to begin our Celebration of Black History Month in February and Beyond with our theme of Sustaining Black Joy through responding to the Enduring Call to Love. From an academic perspective, Friday will be the last day for students to make changes to their timetables, and students who wrote their OSSLT last semester should be receiving their results from the guidance department. As we look to work towards a successful second semester, students will see a renewed commitment to uniform enforcement as well as reinforcing the need for a diligent work ethic and improved attendance through announcements, classroom visits, and consequences, if necessary. Good luck and God bless!

A Message from Our Chaplaincy Leader...

Hello Gators,

Welcome to semester 2 Gators. I trust that you are renewed, refreshed, and excited to start anew for the new academic year.

This Wednesday February 7 we will resume with our weekly Campus Ministry meetings. We have much to plan and pray for. I look forward to seeing you all again ready to serve our Gator school community.

Also, this Friday February 9, I will be part of a leadership group who will represent all clubs at FMG for a day of training and collaboration. This is to ensure that we are meeting all school needs from every voice in our community.

As always, all are welcome to join us in campus ministry. Blessings.

Mr. Minardi
