Greetings to the Goetz Community, Goetz has another busy week ahead with various extra-curricular club meetings, athletic practices and games, intramural dodgeball and field trips! Academically, we are past the half-way point, and it is important that we stay focused, ask for help if needed, and continue to prioritize our course work to ensure success for this school year. Emotionally, please know that we have many supports and caring adults in the building to help students regulate, talk things out and develop coping strategies. Have a great week Gators – you are not alone.

A Message from Our Chaplaincy Leader...

Hello Gators.

This week we wrap up our last grade 11 retreats visiting various places of worship, and we begin to prepare for Catholic Education Week which begins next Sunday May 5 to Friday May 10. More details to follow in the coming days on how you can participate.

Also, we continue in our 5th week of the Easter Season. We continue to believe in the reality and victory of the Resurrection, that it continues throughout history and extends to all people throughout all of humanity. We also believe that God is working every day in our world and through all people, inspiring us always to overcome any of our conflicts and shortcomings, and abiding always in our daily relationships and activities. May we continue to respond daily to the call of Christ.

Blessings Gators on your week.

Mr. Minardi
