Greetings to the Goetz Community,
This is both Catholic Education Week and Mental Health AND Wellness Week. There are many activities at Goetz celebrating both events this week and the underlying message for both is the same – emotional wellbeing, happiness, and love for self and each other. Many of us look to our faith to remind us that the way we are treated – and the way we treat each other – has a major impact on how much we enjoy our lives. Be kind and remember, we are called to love.

A Message from Our Chaplaincy Leader...

Hello Gators.

Each year, the Catholic community of Ontario engages in a week-long celebration of the unique identity and distinctive contributions of Catholic education during Catholic Education Week. This year's celebration is entitled, "Catholic Education: *We are called to love*" and will be celebrated during the week of May 5 – May 10.

The five sub-themes for Catholic Education: *We are called to love* are:

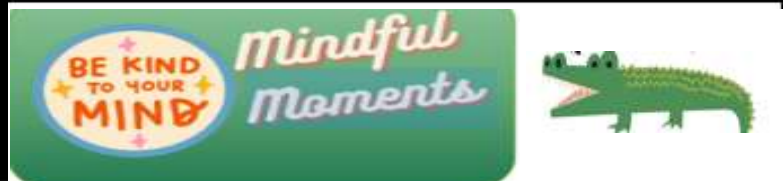

- As people of hope*
- As people of faith*
- As people of mercy*
- As people of justice*
- As people of joy*

Loving God,

We ask that you turn your loving gaze upon young people. They carry in their hearts a great hope for their paths ahead. Give them strength so that they can build their tomorrow with confidence. May they receive the gift of the faith, accept it with gratitude, and develop it with generosity. We ask all this through Christ, our Lord. Amen.

Blessings Gators.

Mr. Minardi
