WELCOME TO THE 2024-2025 SCHOOL YEAR

TRUTH AND RECONCILIATION WEEK

September 23th to September 27th

Truth and Reconciliation week is an opportunity to reflect and learn about the impacts of residential schools and the historical injustices towards Indigenous Peoples. Our students will be engaging & learning activities towards this week, in addition to National Truth and Reconciliation Day on September 30th, 2024.

Hello Gators!

This week we will celebrate and nominate students for the virtue of the month for September which is Faith. Students will have a chance to nominate a peer who has lived out the virtue during the month of September. All winners will receive a bookmark created by one of our very own students, and also be included in a group picture that will be posted for the following month.

Also, on Tuesday September 24 during period 4, we will continue with the formation of our grade 9 students with class visits by our grade 12 Catholic leadership class. Students will have an opportunity to participate in team building activities, and some get to know you games. We look forward to continue building upon our relationship with our new Gators!

Finally, our staff small Faith sharing group meetings will once again take place beginning on Thursday September 26 at 2:30pm on our chapel. I look forward to journeying in faith with our staff. All are welcome.

A very busy week in campus. Looking forward to our year and the many exciting initiatives and programs offered for our community. Have a great week everyone.

Mr. Minardi
